*True Story* Sep 27 2022 "A gripping, ripped-from-headlines tale." —People "Spellbinding." —Megan Abbott, The New York Times Book Review Tracing the fifteen-year fallout of a toxic high school rumor, a riveting, astonishingly original debut novel about the power of stories—and who gets to tell them 2015. A gifted and reclusive ghostwriter, Alice Lovett makes a living helping other people tell their stories. But she is haunted by the one story she can't tell: the story of, as she puts it, "the things that happened while I was asleep." 1999. Nick Brothers and his lacrosse teammates return for their senior year at their wealthy Maryland high school as the reigning state champions.

They're on top of the world—until two of his friends drive a passed-out girl home from of the team's "legendary" parties, and a rumor about what happened in the backseat spreads through the town like wildfire. The boys deny the allegations, and, eventually, the town moves on. But not everyone can. Nick descends into alcoholism, and Alice builds a life in fits and starts, underestimating herself and placing her trust in the wrong people. When she finally gets the opportunity to confront the past she can't remember—but which has nevertheless shaped her life—will she take it? An inventive and breathtaking exploration of a woman finding her voice in the wake of trauma, *True Story* is part psychological thriller, part fever dream, and part timely comment on sexual assault, power, and the very nature of truth. Ingeniously constructed and full of twists and turns that will keep you guessing until the final pages, it marks the debut of a singular and daring new voice in fiction.

Based on a True Story Jul 25 2022 NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, “Call it anything you damn like.”

*True Story* Mar 21 2022 The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed

identity: Michael Finkel, journalist for the New York Times. *True Story* is the tale of a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year, they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.

**The True Story of a Mouse Who Never Asked for It** Aug 22 2019 *The True Story of a Mouse Who Never Asked for It* is a visually striking, deeply feminist, contemporary retelling of a Spanish folk tale, rediscovered and brought to new life by author Ana Cristina Herreros and illustrator Violeta Lopiz. In Herreros and Lopiz's version—which sharply diverges from the most mainstream and popularized telling of the story—a mouse is approached by many suitors, rejecting all but one: a cat, whose gentle meow assures her that he won't bring her harm. But one must remember that a kitten always grows up to be a cat...and thusly, will devour the mouse.

**True Story** Feb 20 2022 Named a Best Nonfiction Book of 2022 by Esquire A

sociological study of reality TV that explores its rise as a culture-dominating medium—and what the genre reveals about our attitudes toward race, gender, class, and sexuality. What do we see when we watch reality television? In *True Story: What Reality TV Says About Us*, the sociologist and TV-lover Danielle J. Lindemann takes a long, hard look in the “funhouse mirror” of this genre. From the first episodes of *The Real World* to countless rose ceremonies to the White House, reality TV has not just remade our entertainment and cultural landscape (which it undeniably has). Reality TV, Lindemann argues, uniquely reflects our everyday experiences and social topography back to us. Applying scholarly research—including studies of inequality, culture, and deviance—to specific shows, Lindemann layers sharp insights with social theory, humor, pop cultural references, and anecdotes from her own life to show us who we really are. By taking reality TV seriously, *True Story* argues, we can better understand key institutions (like families, schools, and prisons) and broad social constructs (such as gender, race, class, and sexuality). From *The Bachelor* to *Real Housewives* to *COPS* and more (so much more!), reality programming unveils the major circuits of power that organize our lives—and the extent to which our own realities are, in fact, socially constructed. Whether we’re watching conniving *Survivor* contestants or three-year-old beauty queens, these “guilty pleasures” underscore how conservative our society remains, and how steadfastly we cling to our notions about who or what counts as legitimate or “real.” At once an entertaining chronicle of reality TV obsession and a pioneering work of sociology, *True Story* holds up a mirror to our society: the reflection may not always be pretty—but we can’t look away.

**Based on a True Story** Nov 17 2021 A delectable satirical novel about celebrity culture, journalism, truth, lies, consequences — about the fictions we tell ourselves and the fictions we tell others. Augusta Price (not her real name) is famous in England for playing a slatternly barmaid on a nighttime soap opera and for falling down drunk in public. Now, she has no job, no relationship with her long-lost son, and a sad shortage of tranquilizers — but she has had an improbable hit with her memoir (which is based on a true story, but only very loosely). But when Frances Bleeker — an insecure and not very successful American tabloid journalist — tells Augusta that a man she once loved has written a book, Augusta becomes terrified that her life story will be revealed as the web of lies it really is. She sets out on a trans-Atlantic journey from London to California to seek revenge on her former lover — a journey that will require the reluctant help of Frances. *Pierre the Penguin* Feb 08 2021 Rhyming text and colorful illustrations describe the efforts of aquatic biologist Pam to help Pierre, an African penguin living at the California Academy of Sciences, when he begins to go bald.

**The Pale-Faced Lie** Jun 19 2019 Growing up on the Navajo Indian Reservation, David Crow and his siblings idolized their dad, a self-taught Cherokee who loved to tell his children about his World War II feats. But as time passed, David discovered the other side of Thurston Crow, the ex-con with his own code of ethics that justified cruelty,

violence, lies--even murder. Intimidating David with beatings, Thurston coerced his son into doing his criminal bidding. David's mom, too mentally ill to care for her children, couldn't protect him. Through sheer determination, and with the help of a few angels along the way, David managed to get into college and achieve professional success. When he finally found the courage to refuse his father's criminal demands, he unwittingly triggered a plot of revenge that would force him into a deadly showdown with Thurston Crow. David would have only twenty-four hours to outsmart his father--the brilliant, psychotic man who bragged that the three years he spent in the notorious San Quentin State Prison had been the easiest time of his life. Raw and palpable, *The Pale-Faced Lie* is an inspirational story about the power of forgiveness and the strength of the human spirit. **The Last Duel** Jul 13 2021 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • “A taut page-turner with all the hallmarks of a good historical thriller.”—Orlando Sentinel The gripping true story of the duel to end all duels in medieval France as a resolute knight defends his wife's honor against the man she accuses of a heinous crime In the midst of the devastating Hundred Years' War between France and England, Jean de Carrouges, a Norman knight fresh from combat in Scotland, returns home to yet another deadly threat. **House of Darkness House of Light** Sep 15 2021 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

A True Story (English Edition) Aug 26 2022 A True Story is a novel written in the second century AD by Lucian of Samosata, a Greek-speaking author of Assyrian descent. The novel is a satire of outlandish tales which had been reported in ancient sources, particularly those which presented fantastic or mythical events as if they were true. It is Lucian's best-known work. It is the earliest known work of fiction to include travel to outer space, alien lifeforms, and interplanetary warfare. As such, A True Story has been described as "the first known text that could be called science fiction". However the work does not fit into typical literary genres: its multilayered plot and characters have been interpreted as science fiction, fantasy, satire or parody, and have been the subject of much scholarly debate.

Author of 35 books on a 'crazy' range of subjects, this cocky Lancashire lad-turned-bohemian citizen of the world has led an apparently charmed life from Merseyside to Buckingham Palace, the White House and beyond. As he turns 70, the award-winning journalist and biographer – grandson of an England footballer, son of a seaside shopkeeper, friend of the famous from Princess Diana to Peter O'Toole, Mick Jagger to Salman Rushdie – spills the beans on showbiz names to literary sophisticates, rock stars to royals as he looks back whimsically and wittily on a richly varied, anecdote- and action-packed career – concluding, in the words of Robert Louis Stevenson, that 'Life is not a matter of holding good cards, but of playing a poor hand well'.

*Emmanuel's Dream: The True Story of Emmanuel Ofosu Yeboah* Oct 24 2019 Emmanuel Ofosu Yeboah's inspiring true story—which was turned into a film, *Emmanuel's Gift*, narrated by Oprah Winfrey—is nothing short of remarkable. Born in Ghana, West Africa, with one deformed leg, he was dismissed by most people—but not by his mother, who taught him to reach for his dreams. As a boy, Emmanuel hopped to school more than two miles each way, learned to play soccer, left home at age thirteen to provide for his family, and, eventually, became a cyclist. He rode an astonishing four hundred miles across Ghana in 2001, spreading his powerful message: disability is not inability. Today, Emmanuel continues to work on behalf of the disabled. Thompson's lyrical prose and Qualls's bold collage illustrations offer a powerful celebration of triumphing over adversity. Includes an author's note with more information about Emmanuel's charity.

The Mostly True Story of Jack Oct 04 2020 Newbery Medal-winner Kelly Barnhill's debut novel is an eerie tale of magic, friendship, and sacrifice. Enter a world where magic bubbles just below the surface. . . . When Jack is sent to Hazelwood, Iowa, to live with his strange aunt and uncle, he expects a summer of boredom. up and the richest man in town begins to plot Jack's imminent, and hopefully painful, demise. It's up to Jack to figure out why suddenly everyone cares so much about him. Back home he was practically... invisible. *The Mostly True Story of Jack* is a stunning debut novel about things broken, things put back together, and finding a place to belong. "There's a dry wit and playfulness to Barnhill's writing that recalls Lemony Snicket and Blue Balliett...a delightfully unusual gem." --Los Angeles Times

**A True Story Based On Lies** Jan 07 2021 *A True Story Based on Lies* is a remarkable and original novel that addresses the universal issues of class discrimination, male oppression and female servitude through dual narratives of spellbinding power. **The Tiger** Sep 22 2019 It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of

how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

***The Tiger*** Jul 21 2019 In December 1997, a man-eating tiger is on the prowl outside a remote village in Russia's Far East. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta.

***Fatty Legs*** Apr 29 2020 Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity.

Complemented by archival photos from Margaret Pokiak-Fenton's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl's determination to confront her tormentor will linger with young readers.

***Lucian's a true story*** Jun 24 2022 The aim of this book is to make *Lucian's A True Story* accessible to intermediate students of Ancient Greek. The running vocabulary and commentary are meant to provide everything necessary to read each page. *Lucian's A True Story* is a great text for intermediate readers. Its breathless narrative does not involve many complex sentences or constructions; there is some unusual vocabulary and a few departures from Attic Greek, but for the most part it is a straightforward narrative that is fun and interesting by one of antiquity's cleverest authors. In *A True Story*, Lucian parodies accounts of fanciful adventures and travel to incredible places by authors such as Ctesias and Iambulus. The story's combination of mockery and learning makes it an excellent example of the Greek literature of the imperial period. Revised August, 2014.

***Lucian's True History*** Oct 28 2022 Originally written in the second century A.D., this ancient work by the Greek-speaking Syrian author Lucian of Samosata is the earliest known work to depict travels to outer space, encounters with alien life and interplanetary warfare. Though written by Lucian as a satire against his fellow ancient writers—who often mixed fantastic and mythical events with the truth—this work is also considered one of the first true science fiction tales.

***Communion*** Jul 01 2020 Thus begins the most astonishing true-life odyssey ever recorded—one man's riveting account of his extraordinary experiences with visitors from “elsewhere” . . . how they found him, where they took him, what they did to him, and

why. Believe it. Or don't believe it. But read it—for this gripping story will move you like no other. It will fascinate you, terrify you, and alter the way you experience your world.

**The True Story of Modern Cosmology** Sep 03 2020 This book tells the story of how, over the past century, dedicated observers and pioneering scientists achieved our current understanding of the universe. It was in antiquity that humankind first attempted to explain the universe often with the help of myths and legends. This book, however, focuses on the time when cosmology finally became a true science. As the reader will learn, this was a slow process, extending over a large part of the 20th century and involving many astronomers, cosmologists and theoretical physicists. The book explains how empirical astronomical data (e.g., Leavitt, Slipher and Hubble) were reconciled with Einstein's general relativity; a challenge which finally led Friedmann, De Sitter and Lemaître, and eventually Einstein himself, to a consistent understanding of the observational results. The reader will realize the extraordinary implications of these achievements and how deeply they changed our vision of the cosmos: From being small, static, immutable and eternal, it became vast and dynamical - originating from (almost) nothing, and yet now, nearly 14 billion years later, undergoing accelerated expansion. But, as always happens, as well as precious knowledge, new mysteries have also been created where previously absolute certainty had reigned.

**Money** Aug 14 2021 The co-host of the popular NPR podcast Planet Money provides a well-researched, entertaining, somewhat irreverent look at how money is a made-up thing that has evolved over time to suit humanity's changing needs. Money only works because we all agree to believe in it. In *Money*, Jacob Goldstein shows how money is a useful fiction that has shaped societies for thousands of years, from the rise of coins in ancient Greece to the first stock market in Amsterdam to the emergence of shadow banking in the 21st century. At the heart of the story are the fringe thinkers and world leaders who reimagined money. Kublai Khan, the Mongol emperor, created paper money backed by nothing, centuries before it appeared in the west. John Law, a professional gambler and convicted murderer, brought modern money to France (and destroyed the country's economy). The cypherpunks, a group of radical libertarian computer programmers, paved the way for bitcoin. One thing they all realized: what counts as money (and what doesn't) is the result of choices we make, and those choices have a profound effect on who gets more stuff and who gets less, who gets to take risks when times are good, and who gets screwed when things go bad. Lively, accessible, and full of interesting details (like the 43-pound copper coins that 17th-century Swedes carried strapped to their backs), *Money* is the story of the choices that gave us money as we know it today.

The True Story of St. Nicholas Nov 24 2019 Relates the legend of St. Nicholas as Santa  
 Claus.

*Based on a True Story* May 23 2022 'A wonderful literary trompe l'oeil: a book about  
 friendship, writing and the boundary between reality and fantasy ... Dark, smart, strange,  
 compelling' Harriet Lane, bestselling author of *Her Overwhelmed* by the huge success of  
 her latest novel, exhausted and suffering from a crippling inability to write, Delphine  
 meets L. L. embodies everything Delphine admires; sophisticated and unusually intuitive,  
 she slowly but deliberately carves herself a niche in the writer's life. However, as she  
 makes herself indispensable to Delphine, the intensity of this unexpected friendship  
 manifests itself in increasingly sinister ways. And as their lives become further entwined,  
 L. begins to threaten Delphine's identity and her safety.

Author Oct 16 2021 So begins the story of Helen Lester, author of *Tacky the Penguin* and  
 many other popular books for children. By sharing her struggles as a child and later as a  
 successful author, she demonstrates that hurdles are part of the process. She even gives  
 writing tips, such as keeping a "fizzle box." Helen Lester uses her unique ability to laugh  
 at her mistakes to create both a guide for young writers and an amusing personal story of  
 the disappointments and triumphs of a writer's life.
