*Urban School Leadership* Jun 14 2021 This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. *Urban School Leadership* is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. *Urban School Leadership* is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

**Essentials of Health Care Finance** Oct 19 2021 *Essentials of Health Care Finance* stands firmly in its place as the leading textbook on healthcare finance. No other text so completely blends the best of current finance theory with the tools needed in day-to-day practice. Useful for all course levels as well as a professional reference, this text offers a comprehensive introduction to the field. The Seventh Edition has been thoroughly revised to reflect the current economic environment in the healthcare industry, with thoughtful descriptions and 'real-world' examples. As

the not-for-profit health care sector has increasingly come under attack by legislators seeking new sources of tax revenue, this edition also features a new chapter on assessing community benefits including an examination of the new Schedule H of the IRS 990 form. Ancillary instructor materials for the Seventh Edition have been significantly expanded and updated. PowerPoint lecture slides now include selected examples from the chapters. Electronic versions of many of the charts and tables in the chapters are provided to enable the instructor to re-create and modify existing examples. An expanded set of test questions with detailed answers will be provided for each chapter. New excel spreadsheets for selected chapters will be created to help both the students and the instructors perform a variety of financial analysis tasks with spreadsheet templates. The instructor's manual has been revised to include key learning points, chapter overviews, and guidelines for class discussion.

**Casa Malaparte** Sep 25 2019 It has been called the twentieth century's most beautiful house. Isolated at the tip of a craggy promontory on the Italian island of Capri, Casa Malaparte has captivated modern architects and designers with the graceful power of its lines and the drama of its setting...the stuccoed, Pompeian red box appears to have grown straight out of the rock. Its remoteness adds to its dreamy allure. Its simple shape belies its assertive, sculptural presence."Michael McDonough This handsome book is the first in-depth examination of the Casa Malaparte. Through original correspondence, plans, and drawings, Marida Talamona uncovers written and graphic evidence attributing the house's design to the client (writer Curzio Malaparte) rather than the architect (Adalberto Libera). The book includes archival and current photographs and new drawings, as well as an introduction by Giorgio Ciucci.
