**Foreign Language - How to Use Modern Technology to Effectively Learn Foreign Languages** Aug 29 2019 This book is a compilation of information about modern resources available to foreign language students. The purpose of this book is to help the reader to correctly select instructional materials and organize independent study of a foreign language. This edition contains recommendations for the use of both traditional methods as well as the latest multimedia technologies. The book gives great attention to vocabulary development - how to correctly study, review, and systematize foreign words. This book will help you determine the main goals and exercises associated with mastering a foreign language. These goals are always there. They simply need to be stated, analyzed, and ordered. In general, systemization and order are two of the main factors in mastering anything new, including foreign languages. When you understand what you want to achieve you will find it much easier to choose a path that will lead to success. Topical dictionary section. This book contains an English-Azerbaijani theme-based dictionary with 1,500 frequently used words that will help you develop basic vocabulary. The dictionary's content is organized by topic. The material is presented in three columns: source word, translation, and transcription. Each topic consists of 50 words grouped into small blocks. You can treat this dictionary as a model for creating your own unified word database. We're confident that this book will help you develop your own effective learning system and give you another boost in this useful and fascinating exercise - learning a foreign language

**First Arabic Reader** Apr 05 2020 First Arabic Reader for beginners bilingual for speakers of English. The book consists of Elementary and Pre-intermediate courses. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author had to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only 29 new words each. All audio tracks are available on lppbooks.com for free download.

**Digital Histology** Sep 10 2020 Praise for the First Edition: "An excellent resource to review fundamental concepts that craft our understanding of the human body." —The American Biology Teacher Digital Histology: An Interactive CD Atlas with Review Text offers a complete introduction to histology with superbly clear and thoroughly labeled images and illustrations within an elegant navigation structure. While the printed book provides a handy, consistently structured outline for your review of key issues in the study of human histology, the CD-ROM is an inter-active, annotated digital color atlas of micrographs. Features new to this edition include: Over 1,200 light and electron microscopic images (almost 500 more images than in the first edition) that can be superimposed with labels and descriptive legends New electron micrographs with diagrammatic overlays highlighting structural features New sections on mitosis and meiosis, which contain stage-by-stage diagrams detailing structural events A side-by-side diagrammatic comparison of the stages of mitosis and meiosis Expanded coverage of supporting cells in nervous tissue; gametogenesis in the male and female reproductive systems; and hemopoiesis The CD-ROM provides interactive learning on both Mac and PC platforms. In addition to its hundreds of new images, this new edition features a navigational tool that tracks current locations within the contents, as well as allowing linear and nonlinear access to any screen. It also features randomized viewing of images, especially helpful to use alongside the self-quizzes. Digital Histology is an indispensable learning tool for students and teachers in medicine, histology, human biology, anatomy and physiology, and pathology.

*Neurology and Clinical Neuroscience* Jan 27 2022 The United States Congress has designated the 1990s as the "Decade of the Brain" in recognition of the major importance of neurology and the other neurosciences in the health and well-being of Americans. It has been suggested that as many as 20% of all patients seeking medical treatment have neurologic problems, either as the presenting complaint or as an associated condition complicating the primary illness.

Thus, it is fitting that Springer-Verlag should acknowledge the prominence of this medical specialty area by devoting an entire volume of the Oklahoma Notes series to neurology and clinical neuroscience. Of course, this text is an outline overview and does not attempt to provide encyclopedic coverage of neurology (the student desiring a comprehensive review of the field may wish to seek in the library the 60+ volumes in the series Handbook of Clinical Neurology edited by Pierre J. Vinken and George W. Bruyn). However, the information selected for inclusion in this volume of the Oklahoma Notes series remains true to the goal of the whole series—only materials vital in both the general clinical practice of medicine and to answer questions on the all-important United States Medical Licensing Examination have been incorporated in the text. Roger A. Brumback, M.D.

**For Gold and Blood** Aug 22 2021 Follow the story of Chinese immigrants Soo Lee and his brother Ping, who leave China in 1851 for the Gold Rush days of California.

**Text with In-Text Audio CD** May 19 2021 This conversation text implements a dynamic, learner-centered approach that encourages students to use Spanish to resolve meaningful and emotionally charged conflicts. Carefully crafted Conversaciones creadoras, mini-dramas written exclusively for this text by renowned Spanish novelist Carmen Martín Gaité, challenge students to become active participants in the learning process. New! A lively, two-color design as well as new realia and art enhances the text's visual appeal. New! Correlating grammar to the creative conversations in each chapter, new Enlace grammatical review sections highlight and practice a grammar point in order to promote the creative use of language. Revised! Engaging Conversaciones creadoras mini-dramas inspire creative thinking. Students react and devise original endings to these engaging, unfinished vignettes, and additional supporting practice checks their comprehension and builds inferential skills. A new vignette in Chapter 1—written by Carmen Martín Gaité—presents a dramatization of a family checking into a hotel. New! Expanded cultural program invites cross-cultural comparison. Updates to cultural material include enriching information on the countries and regions of Hispanic America, comprehension questions that encourage cultural comparisons, and expansion activities that initiate research of Spanish-language web sites. Updated! A wide variety of task-based practice activities fosters active participation and promotes creative expression: personalized questions, activities and projects for pair and small group work, thematic role-play activities centered on information-gap situations, illustration- and realia-based exercises, and topics for class discussion or writing assignments. Revised! A range of practice encourages vocabulary building. Students practice active vocabulary through word analogies, synonym and antonym practice, word definitions, and paragraph or dialogue completions. The text encourages them to create personal lexicons and to broaden their vocabulary base by using optional words and expressions to complete chapter assignments. New! Expanded teaching and learning support includes an in-text audio CD and instructor and student web sites.

**Public Speaking 2 Edition and Student CD-ROM** Jan 03 2020 Providing a comprehensive, balanced treatment of skill and theory, combined with a robust video supplement package, Public Speaking offers the greatest flexibility of any introductory text in the market. The text's accessible approach to communication presents the process of constructing, researching, and delivering speeches as a means of building a bridge between speaker and audience. The Second Edition offers students two simple ways to access the innovative video program: on CD-ROM packaged free with the text or on the text's companion web site. Designed to allow instructors to integrate text and video in a visually oriented approach to learning, the videos strengthen the hands-on pedagogical nature of the text material. In addition the new technology creates greater opportunities for distributed learning. Video content includes examples of effective (and less effective) speakers addressing diverse audiences in business, school, and community settings; illustrations of audience-specific approaches to the same topic; and interviews with students, professionals, and community leaders about issues they face when preparing or delivering speeches. Early treatment of communication apprehension combined with a first speech assignment helps students overcome anxiety from the start. Up-to-date coverage of the Internet as a research tool includes a focus on critical analysis of content and additional Internet activities, including Connecting to the 'Net boxes. The Portfolio feature offers opportunities for creating an e-portfolio journal. A commitment to TA training features a training guide and videos, with sample integrated syllabi for making optimal use of classroom videos.

**Medical Terminology Essentials: w/Student & Audio CD's and Flashcards** Feb 13 2021 Essentials of Medical Terminology is a precise, completely up-to-date, student-oriented text that is ideal for the one-semester course in Medical Terminology. The text emphasizes real world applications of the vocabulary of medicine, and students will see current medical events reflected in this book. The main text is accompanied by an outstanding selection of supplementary learning resources. Essentials of Medical Terminology concentrates on just the key terms and concepts that can be taught in a half-year course. Its clean, uncluttered design keeps readers' attention focused on learning these basic terms, and definitions are kept concise. The interactive Essentials of Medical Terminology Student CD-ROM, and Audio Program CD-ROMs (2-disk audio CD set), linked directly to the text and its selection of terms, are included with each copy of the text. They provide a powerful suite of learning tools geared to the diverse learning styles of today's students. A Spanish-English Audio CD-ROM is also available for student purchase. The Student CD-ROM is set up by text chapter, and includes a variety of games and skill-building activities such as key terms with audio, flash cards, word building, multiple choice and true/false questions, matching, crossword puzzles, and a game called "That's Epidemic". A progress review component records and prints student progress reports. The CD-ROM is ideal for reviewing terms, for group activities, and for courses that have a self-study component.

**Mksap 13 Text and CD-ROM Package** Oct 24 2021

**The Red Room** Jul 29 2019 Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

**Introduction to Psychology** Aug 10 2020 There is simply no other textbook as effective in getting students excited about and involved with psychology as Plotnik's exceptional text. Using his hallmark "multimedia on the printed page" approach, Rod Plotnik makes the concepts of psychology come to life! Plotnik's book is far more than just a good read and a compelling presentation—it is also a book written by a teacher committed to helping students master the content of psychology. From the side-by-side visual summaries to the concept reviews, Plotnik's text is designed throughout for student mastery. Professors report that all the important content is covered in the Plotnik book—in a way that "hooks" students and gets them to read on. And Plotnik's commitment to teaching extends into the ancillaries that accompany the text. The activities in the Instructor's Manual are exciting, original, and offer truly innovative ways to get students involved in the concepts of the course. In many of today's psychology classrooms, the printed pages are just the beginning! In this exciting new Sixth Edition, the Learning Links feature references to the exciting NEW text-specific PowerStudy CD-ROM, developed by Rod Plotnik himself, in conjunction with Tom Doyle. Guided by the CD-ROM and the in-text references, students will launch into whole new worlds of interactive learning and exploration.

**Castle Rackrent** Jun 27 2019 Reproduction of the original: Castle Rackrent by Maria Edgeworth

**Rural Rides** Mar 17 2021 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

**Medical Terminology Express** Oct 31 2019 This is the text and CD only. Other product includes text, CD and termpus.
