The Lost Patrol Aug 29 2022 Starship Victory is on its loneliest mission yet. Captain Maddox and his crew are thousands of light-years from Earth, searching for the dreaded Swarm Imperium. But there are androids among them seeking to use the starship for hidden purposes. Maddox and the crew are on their own, facing perils inside the ship and terrifying alien dangers outside in one of the remotest regions of the Orion Arm. Then they stumble upon the darkest secret of all. Unless the A.I. Galyan, Meta, Sergeant Riker and the others can help their beleaguered captain, Victory is doomed and Earth will never learn of the terrible threat gathering in the stellar darkness. THE LOST PATROL is the fifth book in the LOST STARSHIP SERIES.

Starship Relic Jan 22 2022 Ancient technology. Secret histories. And squids. In space. Max is completing a survey in the barren, frozen north of planet Grailliyn, when he makes a startling discovery. There's a high-tech pod buried beneath the ice, and inside the pod is a young woman. She speaks his language, but with a strange accent. The two are barely past awkward introductions when they are attacked. Max and his new friend are forced to flee. The worst part? They don't even know who is trying to kill them, or why. Now, with assassins on their tail, the duo must find a way off the planet without blowing their cover. And then, if they can do that without getting eaten by space monsters, they might just find out the truth about their world. Starship Relic is book one of the Lost Colony Uprising Trilogy, a sci-fi space opera adventure with spaceships, alien contact, deep conspiracies, wise-cracking characters, and lots of pew-pew (space battle action). Content rating: All ages, teen and up. Minimal language.

Life, the Universe and Everything: Hitchhiker's Guide to the Galaxy Book 3 Dec 29 2019 Part three of the Hitchhiker's Guide to the Galaxy trilogy of five books. Featuring exclusive bonus material from the Douglas Adams archives, and an introduction from Simon Brett, producer of

the original radio broadcast. In *Life, the Universe and Everything*, the third book in Douglas Adams' blockbuster sci-fi comedy series, Arthur Dent finds himself enlisted to prevent a galactic war. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

Lost Ship Dec 21 2021 Newly reinstated Captain Deborah Allen Riker (a.k.a. Admiral Dare) has been called many things over the years. Risk-averse is not one of them. When she and her badly crippled starship found themselves lost in the middle of an ocean of uncharted stars... with the fate of the galaxy on the line... facing enemies from the past, present and future... she did what any Riker would do... She attacked. Book 2 in the *Exodus Earth Military Sci-Fi Series* from Amazon Bestseller Andrew Beery. It's perfect for fans of Rick Partlow, Christopher G. Nuttall, and Mark Wayne McGinnis.

The Lost Command Feb 08 2021 Earth needs a miracle. Out of the Beyond invade the New Men, stronger, faster and smarter than the old. Star Watch sends a massed battle fleet to stop them. It's a disaster. Admiral Fletcher barely escapes annihilation by heading at sub-light speed for a nearby star system. His battered ships are running out of food, fuel and missiles. He knows the New Men will use jump gates, waiting for him six months from now at his destination. Star Watch Command frantically searches for a way to rescue the vessels. Earth has an ancient alien starship in the Oort cloud, with a suspicious AI refusing to cooperate with the scientists. The vessel has powerful weapons—if anyone could figure out how to make them work after ten thousand years. Star Watch summons Captain Maddox, an unorthodox Intelligence officer who makes things happen. He is given command of *Victory* and told to fix the ancient weapons, rescue Fletcher's ships and help them battle home again.

Foundation Aug 24 2019 The first novel in Isaac Asimov's classic science-fiction masterpiece, the *Foundation* series **THE EPIC SAGA THAT INSPIRED THE APPLE TV+ SERIES FOUNDATION, NOW STREAMING** • Nominated as one of America's best-loved novels by PBS's *The Great American Read* For twelve thousand years the Galactic Empire has ruled supreme. Now it is dying. But only Hari Seldon, creator of the revolutionary science of psychohistory, can see into the future—to a dark age of ignorance, barbarism, and warfare that will last thirty thousand years. To preserve knowledge and save humankind, Seldon gathers the best minds in the Empire—both scientists and scholars—and brings them to a bleak planet at the edge of the galaxy to serve as a beacon of hope for future generations. He calls his sanctuary the *Foundation*. The *Foundation* novels of Isaac Asimov are among the most influential in the history of science fiction, celebrated for their unique blend of breathtaking action, daring ideas, and extensive worldbuilding. In *Foundation*, Asimov has written a timely and timeless novel of the best—and worst—that lies in humanity, and the power of even a few courageous souls to shine a light in a universe of darkness.

The Dreaming Void Oct 19 2021 Reviewers exhaust superlatives when it comes to the science fiction of Peter F. Hamilton. His complex and engaging novels, which span thousands of years—and light-years—are as intellectually stimulating as they are emotionally fulfilling. Now, with *The Dreaming Void*, the first volume in a trilogy set in the same far-future as his acclaimed *Commonwealth* saga, Hamilton has created his most ambitious and gripping space epic yet. The year is 3589, fifteen hundred years after *Commonwealth* forces barely staved off human

extinction in a war against the alien Prime. Now an even greater danger has surfaced: a threat to the existence of the universe itself. At the very heart of the galaxy is the Void, a self-contained microuniverse that cannot be breached, cannot be destroyed, and cannot be stopped as it steadily expands in all directions, consuming everything in its path: planets, stars, civilizations. The Void has existed for untold millions of years. Even the oldest and most technologically advanced of the galaxy's sentient races, the Rael, do not know its origin, its makers, or its purpose. But then Inigo, an astrophysicist studying the Void, begins dreaming of human beings who live within it. Inigo's dreams reveal a world in which thoughts become actions and dreams become reality. Inside the Void, Inigo sees paradise. Thanks to the gaiafield, a neural entanglement wired into most humans, Inigo's dreams are shared by hundreds of millions—and a religion, the Living Dream, is born, with Inigo as its prophet. But then he vanishes. Suddenly there is a new wave of dreams. Dreams broadcast by an unknown Second Dreamer serve as the inspiration for a massive Pilgrimage into the Void. But there is a chance that by attempting to enter the Void, the pilgrims will trigger a catastrophic expansion, an accelerated devourment phase that will swallow up thousands of worlds. And thus begins a desperate race to find Inigo and the mysterious Second Dreamer. Some seek to prevent the Pilgrimage; others to speed its progress—while within the Void, a supreme entity has turned its gaze, for the first time, outward. . . . **BONUS:** This edition includes an excerpt from Peter F. Hamilton's *The Temporal Void*.

Into the Real Oct 26 2019 NEW YORK TIMES BEST-SELLING AUTHOR JOHN RINGO AND USA TODAY BEST-SELLING AUTHOR LYDIA SHERRER JOIN FORCES ON A NEW SF NOVEL OF ALIEN INVASION. Ender's Game meets Mean Girls meets Pokemon Go. Lynn Raven may be the boss master of WarMonger 2050 with her online persona of "Larry the Snake," but when the CEO of Tsunami Entertainment personally asks her, as a favor, to beta test a new augmented reality game, she has to face her greatest fear: Going outside and dealing with, ugh, people. As she becomes more immersed in the game, the stakes rise and so do the obstacles. Strife between teammates, a ruthless rival team, and these strange glitches that make it seem like the game algorithm (or maybe "game AI"?) has it in for her. Now she has to face a new fear: is she willing to step into the real to win the future she's always wanted? What do you do when a game and real life merge? Star Trek: Destiny #3: Lost Souls Aug 05 2020 The third and final novel in an epic crossover trilogy uniting characters from every corner of the Star Trek universe, revealing the shocking origin and final fate of the Federation's most dangerous enemy—the Borg. The soldiers of Armageddon are on the march, laying waste to worlds in their passage. An audacious plan could stop them forever, but it carries risks that one starship captain is unwilling to take. For Captain Jean-Luc Picard, defending the future has never been so important, or so personal—and the wrong choice will cost him everything for which he has struggled and suffered. For Captain William Riker, that choice has already been made. Haunted by the memories of those he was forced to leave behind, he must jeopardize all that he has left in a desperate bid to save the Federation. For Captain Ezri Dax, whose impetuous youth is balanced by the wisdom of many lifetimes, the choice is a simple one: there is no going back—only forward to whatever future awaits them. But for those who, millennia ago, had no choice...this is the hour of their final, inescapable destiny.

The Complete Married With Children Book: TV's Dysfunctional Family Phenomenon Jun 02 2020 Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, The Bickersons, and Jackie Gleason's TV classic, The Honeymooners, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-scenes with Michael Moye, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydnier. You'll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. Invaders Nov 27 2019 The battle for Earth begins with a secret invasion...They came from the brightest star in the southern constellation of Carina. First they studied us. Now they're among us, threatening human existence as they search for the Starcore, the greatest device of the lost Polarions. Logan is captured in the Nevada desert, but escapes in Greenland. There he finds an extraterrestrial stealth ship, giving him the means to take the battle to the enemy. He will fight the aliens underground. He will fight them in the sky, and he will fight them in space. He will never surrender. Logan becomes a one-man wrecking crew while using alien technology better than any being alive.

The Forever War May 14 2021 "Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.

Berserker Jan 10 2021 Presents a series of short science-fiction stories that tells of encounters between humans and the intelligent, self-aware death machines known as the Berserkers.

The Lost Star Gate Apr 24 2022 We barely recovered from the first Swarm invasion. Now, the bugs have become methodical, sending science fleets to study us. Back home, the Hive Masters are gathering hundreds of thousands of starships to hit us with an avalanche invasion. This time, not even exploding stars will stop them. The egocentric but brilliant Professor Ludendorff, who has a bitter grudge against Captain Maddox, claims he has a plan to outmaneuver the Swarm. But he's not going to tell Star Watch unless Brigadier Mary O'Hara--one of Maddox's closest friends--comes alone to listen in person. In desperation and knowing that Methuselah Man Ludendorff often has fantastic plans, O'Hara goes, and thus begins a chain-reaction of events that will embroil Maddox and the crew of Victory in a harrowing mission into the Great Beyond. They must risk everything at a Builder star gate if they hope to stave off the annihilating Swarm fleets from reaching Human Space and killing everyone. THE LOST STAR GATE is the ninth and longest book, so far, in the LOST STARSHIP SERIES.

Alien Honor Feb 20 2022 2457 AD. The longest space voyage in history has begun: 230 light years from a ravaged Earth to the pristine star system of New Eden — a beacon of hope following the Doom Star days. Aboard the ship are human colonizers, the Space Navy, fierce "Monitors" once bred to fight Cyborgs, and four "Specials" — humans with psionic abilities, capable of ripping holes in space to jump vast distances. But one Special has his own agenda and when an alien presence makes an offer he can't refuse, the entire mission takes a deadly turn. Cyrus Gant, a former Dust-dealing gang member from Earth's subterranean slums, is onto the renegade Special. And while his psi powers aren't as strong as he might like, Cyrus's street

smarts more than make up for this seeming disadvantage. This will be crucial, because as the ship makes the final, frightening leap toward New Eden, Cyrus is everyone's last hope for survival.

Free Radicals and Oxidation Phenomena in Biological Systems Mar 31 2020 This work offers an analysis of the biological processes mediated by free radicals, from a toxicological point of view, providing easy access to information in an integrated, coherent presentation. The chemistry and biochemistry of all principal types of radical are explained, and the multiple forms in which radicals participate in living organisms are investigated.;This work should be of use to biochemists, pharmacologists, pharmaceutical researchers, food scientists and technologists, nutritionists, toxicologists, chemists, biologists and graduate students in these disciplines.

The Lost Planet Sep 17 2021 Last voyage, Captain Maddox entered a distant star system with a Swarm fleet. The sheer numbers were staggering, a 100-1 advantage against all human spacecraft. If the highly aggressive, racist insects gained hyper-spatial tube technology-allowing them to cross a thousand light-years in seconds-it would mean Armageddon for Earth.Star Watch desperately needs something powerful to offset the annihilating Swarm numbers. As if on cue, Professor Ludendorff declares he has discovered the whereabouts of ancient Builder technology, a tech so potent it could defeat the Swarm.Star Watch takes the bait, ordering Captain Maddox to find the lost planet holding the ancient technology.Ludendorff has a plan involving androids to lure his arch rival-Methuselah Man Strand-to his doom.The crew of Starship Victory knows nothing of this and thus blindly enters a web of intrigue and danger. The captain will need the AI Galyan, Valerie and Riker like never before. Humanity's hope against the coming Swarm holocaust rests on the outcome.THE LOST PLANET is the sixth book in the LOST STARSHIP SERIES.

The Hitchhiker's Guide to the Galaxy: The Illustrated Edition Jul 24 2019 This beautifully illustrated edition of the New York Times bestselling classic celebrates the 42nd anniversary of the original publication—with all-new art by award-winning illustrator Chris Riddell. SOON TO BE A HULU SERIES • “An astonishing comic writer.”—Neil Gaiman Nominated as one of America's best-loved novels by PBS's The Great American Read It's an ordinary Thursday morning for Arthur Dent . . . until his house gets demolished. The Earth follows shortly after to make way for a new hyperspace express route, and Arthur's best friend has just announced that he's an alien. After that, things get much, much worse. With just a towel, a small yellow fish, and a book, Arthur has to navigate through a very hostile universe in the company of a gang of unreliable aliens. Luckily the fish is quite good at languages. And the book is The Hitchhiker's Guide to the Galaxy . . . which helpfully has the words DON'T PANIC inscribed in large, friendly letters on its cover. Douglas Adams's mega-selling pop-culture classic sends logic into orbit, plays havoc with both time and physics, offers up pithy commentary on such things as ballpoint pens, potted plants, and digital watches . . . and, most important, reveals the ultimate answer to life, the universe, and everything. Now, if you could only figure out the question. . . .

Dead Silence Nov 19 2021 A Most-Anticipated Title in Bustle, i09, LitHub, PopSugar, CrimeReads, BookRiot, GoodReads and more. STARRED Review in BookPage! Titanic meets The Shining in this SF horror novel in which a woman and her crew board a decades-lost luxury cruiser and find the wreckage of a nightmare that hasn't yet ended. Claire Kovalik is days away from being unemployed—made obsolete—when her beacon repair crew picks up a strange distress signal. With nothing to lose and no desire to return to Earth, Claire and her team decide to investigate. What they find is shocking: the Aurora, a famous luxury spaceliner that vanished on its maiden tour of the solar system more than twenty years ago. A salvage claim like this could set Claire and her crew up for life. But a quick search of the ship reveals something isn't right. Whispers in the dark. Flickers of movement. Messages scrawled in blood.

Claire must fight to hold on to her sanity and find out what really happened on the Aurora before she and her crew meet the same ghastly fate. "Truly un-put-downable in its purest sense." The Lost Fleet: Fearless Apr 12 2021 Captain John "Black Jack" Geary tries a desperate gamble to lead the Alliance Fleet home through enemy-occupied space in this novel in the thrilling **Lost Fleet** series. Geary is convinced that the Syndics are planning to ambush the fleet and finish it off once and for all. Realizing the fleet's best (and only) chance is to do the unexpected, Geary takes the offensive and orders the fleet to the Sancere system. There, a multitude of possible routes home give the Alliance fleet a better chance of avoiding their pursuers—and an attack on the Sancere shipbuilding facilities could decimate the Syndic war effort. Weary from endless combat, the officers and crew of the Alliance fleet can't see the sense in charging deeper into enemy territory—prompting a mutiny that divides them, and leaving Geary with the odds higher against him than ever before...

The Lost Years Jul 16 2021 After the end of the Enterprise™'s five-year mission, Captain Kirk, Mr. Spock, and Dr. McCoy struggle to establish new lives apart from each other and the starship. The newly-promoted Admiral Kirk is placed in charge of a specially-created Starfleet division and attempts to defuse a critical hostage situation; Mr. Spock, who, in the midst of a teaching assignment on Vulcan, finds the one thing he least expected; and Dr. McCoy, whose unerring instinct for trouble lands him smack in the middle of an incident that could trigger an interstellar bloodbath.

Resolute Sep 25 2019 Admiral John "Black Jack" Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity's expansion into the galaxy . . . and beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors' story isn't completely adding up. As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision. If he can stay alive long enough to do that.

The Heart of War Jun 22 2019 "...I want so much to blame you for this. You got me involved and started me on a path. You educated me and taught me how to think. You showed me how to look at everything and everyone differently, taught me skills and had others teach me. You readied me to make war with hell, Dad...and then...you never came home. This person I've become...you created her; everything suppressed and lying dormant was awakened by what you did..." -Lauren Russell (from INDIVISIBLE, Book 6 of the What's Left of My World Series) A world subjugated by tyranny. A society unraveled. A nation in shambles. A population decimated. A future boundlessly uncertain. A community of families on the verge of extinction. The Russell family is finally reunited and the citizens of Trout Run Valley are blessed with a period of repose, but the interlude does not last. Measures of aggression resume against them yet again, only this time, escalate to an unprecedented degree of ruthlessness, forcing the surviving victims to their breaking points. Lauren Russell has fearlessly fought for her community, for her family and friends, for herself, and for the rights of those foreign to her. Now, she finds herself battling insurmountable odds once again for everything she has left-for what's left of her world. How far will Lauren go to put an end to the oppression that has so relentlessly plagued her existence? Will she right all the wrongs on her own? Will she go to war?

No Quarter (Unification War Trilogy, Book 2) Feb 29 2020 Humanity is fractured and on the brink of war...The United Terran Federation and the Eastern Star Alliance have been fighting in minor skirmishes along the border region for the last few years, but now it threatens to break out into a full-on war with the victor assuming control of all human space.The Alliance has fired the opening shots with a horrific strike on a civilian target, killing millions and shocking the Federation's parliament into action. Now mighty fleets of starships are moving against each other, ready for the final battle that will settle the conflict once and for all. The venerable Admiral Jackson Wolfe prepares himself for one last fight as his nemesis, Admiral Vadim Kohl, looks to make a name for himself by defeating the infamous Federation officer in battle. Jackson knows events are now in motion that can't be stopped and only one thing is certain: win or lose, nothing will ever be the same again.

The Soldier: the X-Ship Aug 17 2021 After endless years of fighting in a galaxy-wide war, the most decorated super-soldier of the Old Federation was granted leave, sliding into a stasis tube aboard a sleeper ship. The ship never reached its port, while the soldier woke up a thousand years later on an operating table.The Old Federation was gone, most planets hurled back into the Stone Age. A devastated Earth used spies instead of spaceships to compete against the tougher richer worlds.The Director of Earth had doctors suppress the super-soldier's memories, giving him an undercover identity and mission: grab advanced technology from a prohibited planet before anyone else could and bring it back to Earth.The soldier turned spy felt desperately lost, alone and out of place. There were no familiar faces. But an intense sense of duty drove him headlong into danger. And yet...and yet...there was something more, something missing that he increasingly wanted to know.So began The Soldier's odyssey in a future time that would change the destiny of the universe.

Backyard Starship Mar 24 2022 When Van Tudor returns to his childhood home, he inherits

more than the family farm. His grandfather used to tell him fantastic stories of spacemen and monsters, princesses and galactic knights. Little did Van realize, the old man's tales were more than fiction. They were real. Hidden beneath the old barn, Van's legacy is waiting: a starship, not of this world. With his combat AI, an android bird named Perry, Van takes his first steps into the wider galaxy. He soon finds that space is far busier and more dangerous than he could have ever conceived. Destiny is calling. His grandfather's legacy awaits. Embark on the adventure of a lifetime with USA Today Bestselling Author J.N. Chaney and Terry Maggert in this brand new science fiction series. Starship Eternal Sep 05 2020 ----- A lost starship... A dire warning from futures past... A desperate search for salvation... ----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.

The Lost Artifact Jun 26 2022 Star Watch defeated the Swarm Invasion Fleet, but at a terrible cost in destroyed star systems, smashed battleships and billions of dead. In the aftermath of the costly victory, chaos threatens as worlds leave the Commonwealth of Planets, face mass starvation or succumb to increased piracy. The war against the Swarm Imperium has just begun. Humanity needs unity or each planet will fall alone. Brigadier O'Hara of Star Watch Intelligence stumbles onto a secret conspiracy. Someone is trying to destroy the Commonwealth from within, and they have an alien artifact of incredible power. O'Hara summons Captain Maddox. Although she fears to lose him, she knows that Maddox and his crew have the best chance of finding the hidden enemy. If the captain fails, the Commonwealth will be powerless to stop its destruction. What O'Hara doesn't know-it would probably break her heart if she did-is that she has just sent Maddox into the most harrowing battle of his career. THE LOST ARTIFACT is the eighth book in the LOST STARSHIP SERIES.

Starship Troopers May 26 2022 In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come to call the First Interstellar War

Ringworld Mar 12 2021 Winner of the Hugo and Nebula Awards for best novel Four travelers come to the ringworld. . . Louis Wu: human and old; bored with having lived too fully for far too many years. Seeking a challenge, and all too capable of handling it. Nessus: a trembling coward, a puppeteer with a built-in survival pattern of nonviolence. Except that this particular puppeteer is insane. Teela Brown: human; a wide-eyed youngster with no allegiances, no experience, no abilities. And all the luck in the world. Speaker-To-Animals: kzin; large, orange-furred, and carnivorous. And one of the most savage life-forms known in the galaxy. Why did these disparate individuals come together? How could they possibly function together? And where, in the name of anything sane, were they headed?

The Lost Starship Oct 31 2022 Ten thousand years ago, a single alien super-ship survived a desperate battle. The vessel's dying crew set the AI on automatic to defend the smashed rubble of their planet. Legend has it the faithful ship continues to patrol the empty battlefield, obeying its last order throughout the lonely centuries. In the here and now, Earth needs a miracle. Out of the Beyond invade the New Men, stronger, faster and smarter than the old. Their superior warships and advanced technology destroy every fleet sent to stop them. Their spies have infiltrated the government and traitors plague Earth's military. Captain Maddox of Star Watch Intelligence wonders if the ancient legend could be true. Would such an old starship be able to face the technology of the New Men? On the run from killers, Maddox searches for a group of talented misfits. He seeks Keith Maker, a drunken ex-strikefighter ace, Doctor Dana Rich the clone thief stuck on a prison planet and Lieutenant Valerie Noonan, the only person to have faced the New Men in battle and survived to tell about it. Maddox has to find a place hidden in the Beyond and bring back a ship no one can enter. If he fails, the New Men will replace the old. If he succeeds, humanity might just have a fighting chance...

The Lost Supernova Jul 28 2022 Androids used to mingle among us, pretending to be human. Then an alien puppet-master altered their programming. Unknown to us, androids began leaving human society, burning their clothes and peeling off their skin to reveal the chrome-colored bodies underneath. They gathered in a system where a star had exploded, blowing away the atmosphere of a Jupiter-like planet. The supernova had hurled heavy metals against the remaining core. The androids are mining supermetals that can turn ordinary ship weapons and shields into invincible armaments. The altered programming includes human genocide, which will start with a murderous attack on Earth. Luckily, Captain Maddox finds the enemy system. But during a space battle, something happens to hurl Victory thousands of light-years away into the Scutum-Centaurus Spiral Arm. The crippled starship will take years to reach home again. Long before that, Earth will be a radioactive ruin. Now begins a desperate journey in hostile space that will stretch everyone as Maddox strains to reach the Lord High Admiral in time with knowledge about the coming android attack. **THE LOST SUPERNOVA** is the tenth book in the **LOST STARSHIP SERIES**.
