Brave and reckless, intelligent and foolish, lucky and ill-fated, their battles were won and lost by ruse, trickery, chance, stupidity and by unsurpassed military brilliance. This was the crucible of civilisation, when a single conqueror could change the

world." "Erik Durschmied analyses seventeen of ancient history's most fascinating and brutal battles, some of which have been almost forgotten, but all of which changed the shape of the world and set the borders of our future."-- Jacket.

10 Years That Shook the World Mar 05 2020 From 9/11 to the launch of the iPod, from the creation of "Gmail: to the 2004 tsunami, from the Enron Bankruptcy to the killing of Osama bin Laden, 10 Years That Shook the World is the story of an extraordinary decade. For each year, Loretta Napoleoni presents events not as a chronology but as dispatches from the world's collective memory. Topics like politics, economics, celebrities, and the environment intersect and converge to reveal the accelerating pace of globalization and the changes that have affected us all.

AD 33 Nov 24 2021 In this breathtaking book we find out about events in the Roman empire and beyond in order to obtain a picture of the

historical setting of the year of Christ's death.

A Roman Pilgrimage Oct 12 2020

Romeo for Real Aug 10 2020 On the surface, Romeo has it all: success on the basketball court, a group of good friends, the companionship of the beautiful Rosie. Deep down, he knows something is wrong: All he feels for Rosie is friendship, and all he feels for his friends' intolerance is guilt. Everything changes when he meets the openly gay Julian at a party and finds himself sharing a kiss with him. In spite of their obvious attraction, Romeo now feels less sure of himself than ever, and leaves without even telling Julian his name. With Rosie's support, Romeo begins exploring his sexuality — and ends up running into Julian again. Realizing how little he knows about other sexual orientations and gender identities, Romeo begins to see the world in a whole new light, and he and Julian begin to fall in love. But his homophobic friends and family can't accept him as gay. After a violent confrontation with one of

his old friends, Romeo becomes determined to prove that his love for Julian is real and right. Romeo for Real will give readers the courage to take pride in who they are and whom they love.

Ben-Hur. A Tale of the Christ May 07 2020

The History of the Decline and Fall of the Roman Empire Nov 12 2020

31 BC Oct 24 2021 On 2 September 31 BC, two superpowers, Egypt and Rome, met head-on for the first and last time in history. The outcome was the Battle of Actium, which would change the course of history and lead directly to the foundation of the Roman Empire. In a compelling new chronicle, brought vividly to life with expressive anecdotes and moving eye-witness accounts, 31 BC explores the chain of events that culminated in the fall of Egypt. A sequel to the popular AD 410: the Year that Shook Rome, 31 BC reveals the tragic romance between Antony and Cleopatra, boldly characterising the central charismatic personalities of the time. Illustrated with

evocative locations and iconic objects from the British Museum and elsewhere, 31 BC: Antony, Cleopatra and the Fall of Egypt is a dramatic story of a defining moment in history, retold with excitement and vigour from the Egyptian standpoint.

Rome Jul 21 2021 The first work to lay out Roman strategic thinking from its start under Augustus until its final demise in 476 CE From Octavian's victory at Actium (31 B.C.) to its traditional endpoint in the West (476), the Roman Empire lasted a solid 500 years -- an impressive number by any standard, and fully one-fifth of all recorded history. In fact, the decline and final collapse of the Roman Empire took longer than most other empires even existed. Any historian trying to unearth the grand strategy of the Roman Empire must, therefore, always remain cognizant of the time scale, in which she is dealing. Although the pace of change in the Roman era never approached that of the modern era, it was not an empire in

stasis. While the visible trappings may have changed little, the challenges Rome faced at its end were vastly different than those faced by Augustus and the Julio-Claudians. Over the centuries, the Empire's underlying economy, political arrangements, military affairs, and, most importantly, the myriad of external threats it faced were in constant flux, making adaptability to changing circumstances as important to Roman strategists as it is to strategists of the modern era. Yet the very idea of Rome having a grand strategy, or what it might be, did not concern historians until Edward Luttwak wrote *The Grand Strategy of the Roman Empire: From the First Century A.D. to the Third* forty years ago. Although the work generated much debate, it failed to win over many ancient historians, in part because of its heavy emphasis on military force. By mostly neglecting any considerations of diplomacy, economics, politics, culture, or even the changing nature of the threats Rome faced,

Luttwak tells only a portion of what should have been a much more wide-ranging narrative. For this and other reasons, such as its often dull presentation, it left an opportunity for another account of the rise and fall of Rome from a strategy perspective. Through a more encompassing definition of strategy and by focusing much of the narrative on crucial historical moments and the personalities involved, *Strategy of Empire* promises to provide a more persuasive and engaging history than Luttwak's. It aims not only to correct Luttwak's flaws and omissions, but will also employ the most recent work of current classical historians and archeologists to present a more complete and nuanced narrative of Roman strategic thinking and execution than is currently available.

Rome 1960 Oct 04 2022 An account of the 1960 Summer Olympics in Rome reveals the competition's unexpected influence on the modern world, in a narrative synopsis that pays

tribute to such athletes as Cassius Clay and Wilma Rudolph while evaluating the roles of Cold War propaganda, civil rights, and politics. 250,000 first printing.

Scourge of Rome Apr 05 2020 Bestselling author Douglas Jackson expertly brings the Roman Empire to life in this riveting historical adventure of fire, blood and battle. Perfect for fans of Simon Scarrow, Ben Kane and Conn Iggulden. Readers are loving Gaius Valerius Verrens! "Storytelling of the highest order" - 5 STARS "Glorious Roman adventure." - 5 STARS "The drama never lets up - it is gripping" - 5 STARS "I'm just gutted to have finished it!" - 5 STARS "Verrens rules, ok?" - 5 STARS

***** BETRAYED, BANISHED BUT NOT BROKEN... 70 AD: Disgraced, dishonoured and banished on pain of execution if he ever returns to Rome, Gaius Valerius Verrens makes his way East through the death and destruction of the savage Judaeen rebellion. He knows his only

hope of long term survival lies with his friend Titus, commander of the Army of Judaea and son of the newly crowned Emperor Vespasian. But when he reaches the Roman camps that surround the seemingly impregnable city of Jerusalem he finds Titus a changed man. Gone is the cheerful young officer he knew; in his place, a tough, ruthless soldier under pressure from his father to end the insurrection at any cost. Soon, Valerius finds himself at the centre of a web of intrigue spun by Titus' lover, Queen Berenice of Cilicia, and her sometime ally, the general's turncoat adviser, Flavius Josephus, who together have an ulterior motive for wanting the siege to end quickly. Yet the laurels Valerius needs in order to regain his honour cannot be won in the tunnels that run beneath Jerusalem. Only in the heat and blood of battle can he find the glory that brought him the title Hero of Rome. Gaius Valerius Verrens' adventures continue in Saviour of Rome.

Mistress of Rome Jun 07 2020 The first in an

unforgettable historical saga from the New York Times bestselling author of *The Alice Network* and *The Diamond Eye*. "So gripping, your hands are glued to the book, and so vivid it burns itself into your mind's eye and stays with you long after you turn the final page."—Diana Gabaldon, #1 New York Times bestselling author *First-century Rome: One young woman will hold the fate of an empire in her hands. Thea, a captive from Judaea, is a clever and determined survivor hiding behind a slave's docile mask. Purchased as a toy for the spoiled heiress Lepida Pollia, Thea evades her mistress's spite and hones a secret passion for music. But when Thea wins the love of Rome's newest and most savage gladiator and dares to dream of a better life, the jealous Lepida tears the lovers apart and casts Thea out. Rome offers many ways for the resourceful to survive, and Thea remakes herself as a singer for the Eternal City's glittering aristocrats. As she struggles for success and independence, her nightingale voice attracts a*

dangerous new admirer: the Emperor himself. But the passions of an all-powerful man come with a heavy price, and Thea finds herself fighting for both her soul and her destiny. Many have tried to destroy the Emperor: a vengeful gladiator, an upright senator, a tormented soldier, a Vestal Virgin. But in the end, the life of Rome's most powerful man lies in the hands of one woman: the Emperor's mistress.

The Roman Empire: The History of Ancient Rome Jan 27 2022 Discover the story of the greatest empire in history. Peter Wings travels back into the age of Caesar. Stories of war and power that changed forever the future of years to come. From the conquest of the Mediterranean to the destruction of the Roman Empire by barbarian invaders, we will cover every single aspect in the Roman history. Prepare for a time travel. Prepare to meet Pompey, Julius Caesar, Augustus, Nero, Constantine and many personalities who changed the way we live.

AD410 Nov 05 2022 Engaging account of the Barbarian sack of Rome.

The Flames of Rome Apr 17 2021 A madman who murders his way into power lusts for ever-greater glory and domination. A capital city awash with corruption, sensuality, and political intrigue is at the flash point. And caught between the crushing currents of history are a new but growing religious group known as the followers of The Way. Award-winning historian and best-selling author Paul L. Maier has created a compelling style of documentary fiction, using only known historical events and persons to bring to life first-century Rome in all its excess, treachery, and insanity. This is the Rome that the apostle Paul visits, where he's placed on trial, and which is forever changed by his testimony and witness. Maier takes readers into the courtroom of imperial justice and into the homes of the people struggling with the new faith they've encountered to answers questions such as: How did Christianity first reach Rome?

Why did Paul have to wait two years for trial and was he condemned or set free? Why does the New Testament account in Acts end so abruptly? Who set fire to Rome and why did Nero persecute Christians so horribly? Following the the family of Flavius Sabinus, mayor of Rome under Nero Maier captures all the drama and tension of the political conflicts that precede and follow the Great Fire of Rome, and the epic political and religious clashes of the world's capital. This is the sensational story of pagans at their worst—and Christians at their best. Readers won't want to put it down.

What the Romans Did for Us May 19 2021 From takeaways to motorways, the Romans brought with them a variety of ideas and inventions that changed the way we live.

THE EDINBURGH REVIEW, OR CRITICAL JOURNAL: FOR JULY, 1851...OCTOBER, 1851 Aug 29 2019

The Severans Apr 29 2022 The Severans analyses the colourful decline of the Roman

Empire during the reign of the Severans, the first non-Roman dynasty. With its beautifully selected plate section, maps and bibliography, this will appeal to student and general reader.

The End of the Past Mar 29 2022 This searching interpretation of past and present addresses fundamental questions about the fall of the Roman Empire. Why did ancient culture, once so strong and rich, come to an end? Was it destroyed by weaknesses inherent in its nature? Or were mistakes made that could have been avoided--was there a point at which Greco-Roman society took a wrong turn? And in what ways is modern society different? Western history is split into two discontinuous eras, Aldo Schiavone tells us: the ancient world was fundamentally different from the modern one. He locates the essential difference in a series of economic factors: a slave-based economy, relative lack of mechanization and technology, the dominance of agriculture over urban industry. Also crucial are aspects of the ancient

mentality: disdain for manual work, a preference for transcending (rather than transforming) nature, a basic belief in the permanence of limits. Schiavone's lively and provocative examination of the ancient world, "the eternal theater of history and power," offers a stimulating opportunity to view modern society in light of the experience of antiquity.

The Verge May 31 2022 The creator of the hit podcast series Tides of History and Fall of Rome explores the four explosive decades between 1490 and 1530, bringing to life the dramatic and deeply human story of how the West was reborn. In the bestselling tradition of *The Swerve* and *A Distant Mirror*, The Verge tells the story of a period that marked a decisive turning point for both European and world history. Here, author Patrick Wyman examines two complementary and contradictory sides of the same historical coin: the world-altering implications of the developments of printed mass media, extreme taxation, exploitative globalization, humanistic

learning, gunpowder warfare, and mass religious conflict in the long term, and their intensely disruptive consequences in the short-term. As told through the lives of ten real people—from famous figures like Christopher Columbus and wealthy banker Jakob Fugger to a ruthless small-time merchant and a one-armed mercenary captain—The Verge illustrates how their lives, and the times in which they lived, set the stage for an unprecedented globalized future. Over an intense forty-year period, the seeds for the so-called "Great Divergence" between Western Europe and the rest of the globe would be planted. From Columbus's voyage across the Atlantic to Martin Luther's sparking the Protestant Reformation, the foundations of our own, recognizably modern world came into being. For the past 500 years, historians, economists, and the policy-oriented have argued which of these individual developments best explains the West's rise from backwater periphery to global dominance. As The Verge

presents it, however, the answer is far more nuanced.

The Illustrated History of Rome Jan 03 2020

Brief History of Rome Dec 02 2019

Roman Blood Jul 29 2019 In Rome in 80 B.C., Gordianus the Finder is hired by Cicero, a brilliant and ambitious young orator about to defend his first case, to investigate a wealthy farmer accused of the murder of his father, in a novel based on an actual case

Defender of Rome Feb 02 2020 This riveting and

action-packed historical thriller from bestselling author Douglas Jackson is real edge of your seat stuff! Perfect for fans of Simon Scarrow and Ben Kane. Readers are loving Gaius Valerius Verrens! "Absolutely incredible." - 5 STARS.

"Gripping, violent and captivating." - 5 STARS.

"The best Roman historical series I've yet read.

Just pips Ben Kane and Conn Iggulden." - 5

STARS

***** Gaius Valerius Verrens returns to Rome from the successful campaign against Boudicca in Britain. But he is not the man he once was - scarred both physically and emotionally by the battles he has fought. And neither is Rome the same city as the one he left. The Emperor Nero grows increasingly paranoid. There is talk of a new threat, one found within the walls of Rome itself. A new religious sect,

the followers of Christus, deny Nero's divinity and are rumoured to be spreading sedition. Nero calls on Valerius to seek out this rebel sect and to capture their leader. Failure would be to forfeit his life, and the lives of twenty thousand Judaeans living in Rome. But as Valerius begins his search, a quest which will take him to the edge of the empire, he will discover that success may cost him nearly as much as failure. Gaius Valerius Verrens's adventures continue in Avenger of Rome.

Twelve Greeks and Romans Who Changed

the World Aug 02 2022 In Twelve Greeks and Romans Who Changed the World, Carl J. Richard brings to life a group of men whose contributions fundamentally altered western society. In this compelling narrative, readers encounter a rich cast of characters, including eloquent Homer, shrewd Pericles, fiery Alexander, idealistic Plato, ambitious Caesar, dedicated Paul, and passionate Augustine. As he vibrantly describes the contributions of the

individuals, Richard details the historical context in which each lived, showing how these men influenced their world and ours.

Escape from Rome Feb 25 2022 The gripping story of how the end of the Roman Empire was the beginning of the modern world The fall of the Roman Empire has long been considered one of the greatest disasters in history. But in this groundbreaking book, Walter Scheidel argues that Rome's dramatic collapse was actually the best thing that ever happened, clearing the path for Europe's economic rise and the creation of the modern age. Ranging across the entire premodern world, Escape from Rome offers new answers to some of the biggest questions in history: Why did the Roman Empire appear? Why did nothing like it ever return to Europe? And, above all, why did Europeans come to dominate the world? In an absorbing narrative that begins with ancient Rome but stretches far beyond it, from Byzantium to China and from Genghis Khan to Napoleon, Scheidel shows how

the demise of Rome and the enduring failure of empire-building on European soil launched an economic transformation that changed the continent and ultimately the world.

The Roman Empire Jul 01 2022 Discover the story of the greatest empire in history. Peter Wings travels back into the age of Caesar. Stories of war and power that changed forever the future of years to come. From the conquest of the Mediterranean to the destruction of the Roman Empire by barbarian invaders, we will cover every single aspect in the Roman history. Prepare for a time travel. Prepare to meet Pompey, Julius Caesar, Augustus, Nero, Constantine and many personalities who changed the way we live.

Compendium of Roman History Jul 09 2020 Velleius Paterculus, who lived in the reigns of Augustus and Tiberius (30 BCE?37 CE), served as a military tribune in Thrace, Macedonia, Greece and Asia Minor, and later, from 4 CE to 12 or 13, as a cavalry officer and legatus in

Germany and Pannonia. He was quaestor in 7 CE, praetor in 15. He wrote in two books 'Roman Histories', a summary of Roman history from the fall of Troy to 29 CE. As he approached his own times he becomes much fuller in his treatment, especially between the death of Caesar in 44 BCE and that of Augustus in 14 CE. His work has useful concise essays on Roman colonies and provinces and some effective compressed portrayals of characters. Res Gestae Divi Augusti. In his 76th year (13 CE?14) the emperor Augustus wrote a dignified account of his public life and work of which the best preserved copy (with a Greek translation) was engraved by the Galatians on the walls of the temple of Augustus at Ancyra (Ankara). It is a unique document giving short details of his public offices and honours; his benefactions to the empire, to the people, and to the soldiers; and his services as a soldier and as an administrator.

The War That Made the Roman Empire Jan

15 2021 A “splendid” (The Wall Street Journal) account of one of history’s most important and yet little-known wars, the campaign culminating in the Battle of Actium in 31 BC, whose outcome determined the future of the Roman Empire. Following Caesar’s assassination and Mark Antony’s defeat of the conspirators who killed Caesar, two powerful men remained in Rome—Antony and Caesar’s chosen heir, young Octavian, the future Augustus. When Antony fell in love with the most powerful woman in the world, Egypt’s ruler Cleopatra, and thwarted Octavian’s ambition to rule the empire, another civil war broke out. In 31 BC one of the largest naval battles in the ancient world took place—more than 600 ships, almost 200,000 men, and one woman—the Battle of Actium. Octavian prevailed over Antony and Cleopatra, who subsequently killed themselves. The Battle of Actium had great consequences for the empire. Had Antony and Cleopatra won, the empire’s capital might have moved from Rome to

Alexandria, Cleopatra’s capital, and Latin might have become the empire’s second language after Greek, which was spoken throughout the eastern Mediterranean, including Egypt. In this “superbly recounted” (The National Review) history, Barry Strauss, ancient history authority, describes this consequential battle with the drama and expertise that it deserves. The War That Made the Roman Empire is essential history that features three of the greatest figures of the ancient world.

[The History of the Decline and Fall of the Roman Empire](#) Jun 27 2019

So if you want to learn about ancient Egypt, Greece and Rome without having to read boring textbooks, click "add to cart"!

Alaric the Goth Jun 19 2021 Denied citizenship by the Roman Empire, a soldier named Alaric changed history by unleashing a surprise attack on the capital city of an unjust empire. Stigmatized and relegated to the margins of Roman society, the Goths were violent “barbarians” who destroyed “civilization,” at least in the conventional story of Rome’s collapse. But a slight shift of perspective brings their history, and ours, shockingly alive. Alaric grew up near the river border that separated Gothic territory from Roman. He survived a border policy that separated migrant children from their parents, and he was denied benefits he likely expected from military service. Romans were deeply conflicted over who should enjoy the privileges of citizenship. They wanted to buttress their global power, but were insecure about Roman identity; they depended on foreign goods, but scoffed at and denied foreigners their own voices and humanity. In stark contrast to the rising bigotry, intolerance, and zealotry

among Romans during Alaric’s lifetime, the Goths, as practicing Christians, valued religious pluralism and tolerance. The marginalized Goths, marked by history as frightening harbingers of destruction and of the Dark Ages, preserved virtues of the ancient world that we take for granted. The three nights of riots Alaric and the Goths brought to the capital struck fear into the hearts of the powerful, but the riots were not without cause. Combining vivid storytelling and historical analysis, Douglas Boin reveals the Goths’ complex and fascinating legacy in shaping our world.

Military History of Late Rome, 395–425 Sep 03 2022 A detailed overview of the tumultuous events of this pivotal period, in which a divided Rome was plagued by assassination, civil wars, and invading hordes. This ambitious series offers a comprehensive narrative of late Roman military history from 284–641. Each volume gives a detailed account of the changes in organization, equipment, strategy, and tactics

among both the Roman forces and their enemies in the relevant period, while also giving a detailed but accessible account of the campaigns and battles. This third volume analyzes in great detail the pivotal years of 395–425. It was then that the mighty Roman Empire faced the Great Migrations while being wracked by civil wars. In 395 the task of defending the Roman Empire fell on the great generalissimo Stilicho. He faced a series of hostile bureaucrats, emperors, usurpers, and foreign foes until he was killed in a conspiracy in 409. His death led to an event that shook up the Empire to its very core. The city of Rome fell to the Visigoths of Alaric in 410. The book shows why this happened and how and why the Germanic tribes were able to settle inside the borders of the Empire. This, however, is not the entire picture. In contrast to the West Romans, the East Romans survived the civil wars and faced the Germans, Huns, and Persia

successfully. Why it was so and why were the East Romans able to take control also of West Rome in 425? The information in this book will give history buffs much to consider and debate. Praise for Military History of Late Rome 425–457 “An outstanding work . . . [the series] gives us a very good picture of the long process that has come to be known as the ‘Fall of Rome.’ This is an invaluable read for anyone with an interest in Late Antiquity.” —The NYMAS Review

What the Romans Did for Us Aug 22 2021

This book accompany's the series What The Romas Did For Us - a 6 x 30 BBC2 documentary fronted by Adam Hart-Davis - with an in-depth illustrated history of the Roman occupation, how each technological invention was utilized by the Romans and how they compare to our own technology today.

Republican Rome Oct 31 2019
