Letters of a Peruvian Woman Jun 27 2019 'It has taken me a long time, my dearest Aza, to fathom the cause of that contempt in which women are held in this country ...' Zilia, an Inca Virgin of the Sun, is captured by the Spanish conquistadores and brutally separated from her lover, Aza. She is rescued and taken to France by Déterville, a nobleman, who is soon captivated by her. One of the most popular novels of the eighteenth century, the *Letters of a Peruvian Woman* recounts Zilia's feelings on her separation from both her lover and her culture, and her experience of a new and alien society. Françoise de Graffigny's bold and innovative novel clearly appealed to the contemporary taste for the exotic and the timeless appetite for love stories. But by fusing sentimental fiction and social commentary, she also created a new kind of heroine, defined by her intellect as much as her feelings. The novel's controversial ending calls into question traditional assumptions about the role of women both in fiction and society, and about what constitutes 'civilization'. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of

literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Grand Vizier of the Night Jul 09 2020 Over ten consecutive evenings a dying Ahmed tells the story of his old master's life. The story is so powerful and the effect on his listeners so great, Ahmed is named The Grand Vizier of the Night. Set in the Islamic Empire in 785 AD, a tale of power, war, love and religion unfolds. It begins with Arab Harun-al-Rashid becoming Caliph of the Empire. Harun soon falls in love with a Persian man, Ja'far, but is devastated to find the love is unrequited. Ja'far is in love with the Caliph's sister, Abassa. Harun allows the couple to marry, but forbids the consummation of the marriage. His order is defied and Abassa soon gives birth to twins. They have betrayed their absolute leader and will suffer the consequences.

Women and Music in Sixteenth-Century Ferrara Jan 27 2022 Rethinks and retells the history of music in sixteenth-century Ferrara, putting women, of the court and convent, at the narrative centre.

Matériaux, en grande partie inédits, pour la biographie future du Comte T. Rastaptchine, rassemblés par son fils [A. F. Rostopchin]. May 07 2020

Marie Antoinette Mar 17 2021 A sweeping portrait of the doomed French queen follows the life and times of Marie Antoinette from her first arrival at the French court, her marriage to the aloof Louis XVI, her love affair with Swedish Count von Fersen, and her ultimate fate during the French Revolution. Reprint.

Marie Antoinette Oct 04 2022 Marie-Antoinette is one of the most fascinating and controversial figures in all of French history. This volume explores the many struggles by various individuals and groups to put right Marie's identity, and it simultaneously links these struggles to larger destabilizations in social, political and gender systems in France. Looking at how Marie was represented in politics, art, literature and journalism, the contributors to this volume reveal how crucial political and cultural contexts were enacted "on the body of the queen" and on the complex identity of Marie. Taken together, these essays suggest that it is precisely because she came to represent the contradictions in the social, political and gender systems of her era, that Marie remains such an important historical figure.

My Body in Pieces Mar 29 2022 A deeply emotional graphic memoir of a young woman's struggles with self-esteem and body image issues. All Marie-Noëlle wants is to be thin and beautiful. She wishes that her thighs were slimmer, that her stomach lay flatter. Maybe then her parents wouldn't make fun of her eating habits at family dinners, the girls at school wouldn't call her ugly, and the boy she likes would ask her out. This all-too-relatable memoir follows Marie-Noëlle from childhood to her twenties, as she navigates what it means to be born into a body that doesn't fall within society's beauty standards. When, as a young teen, Marie-Noëlle begins a fitness regime in an effort to change her body, her obsession with her weight and size only grows and she begins having suicidal thoughts. Fortunately for Marie-Noëlle, a friend points her in the direction of therapy, and slowly, she begins to realize that she doesn't need the approval of others to feel whole. Marie-Noëlle Hébert's debut graphic memoir is visually stunning and drawn entirely in graphite pencil, depicting a deeply personal and emotional journey that encourages us to all be ourselves without apology. Key

The Splendid Century May 31 2022 "The Splendid Century," penned by the brother of famous author C. S. Lewis ("Alice in Wonderland"), is a depiction of various aspects of life in France during the reign of Louis XIV, gleaned through the author's thorough research of records, correspondence, and journals of the time. Using anecdotal evidence, the book probes in detail various facets of life in France during this time, including the lives of nobles (particularly those at court) as well as commoners, religious institutions and conflicts, the organization of the French army and its restructuring, rural life and city life, what life was like on galley ships and passenger sailing ships, how doctors were trained, and the state of women's education. The author also discusses the background behind Louis XIV's policies, illustrating their impact on French civilization, both during this time and for generations to come. A must-read for anyone interested in French history.

A Companion to Contemporary French Cinema Jul 21 2021 A Companion to Contemporary French Cinema presents a comprehensive collection of original essays addressing all aspects of French cinema from 1990 to the present day. Features original contributions from top film scholars relating to all aspects of contemporary French cinema Includes new research on matters relating to the political economy of contemporary French cinema, developments in cinema policy, audience attendance, and the types, building, and renovation of theaters Utilizes groundbreaking research on cinema beyond the fiction film and the cinema-theater such as documentary, amateur, and digital filmmaking Contains an unusually large range of methodological approaches and perspectives, including those of genre, gender, auteur, industry, economic, star, postcolonial and psychoanalytic studies Includes essays by important French cinema scholars from France, the U.S., and New Zealand, many of whose work is here presented in English for the first time

The Wicked Queen Aug 02 2022 Chantal Thomas presents the history of the mythification of one of the most infamous queens in all history, whose execution still fascinates us today. In *The Wicked Queen*, Chantal Thomas presents the history of the mythification of one of the most infamous queens in all history, whose execution still fascinates us today. Almost as soon as Marie-Antoinette, archduchess of Austria, was brought to France as the bride of Louis XVI in 1771, she was smothered in images. In a monarchy increasingly under assault, the charm and horror of her feminine body and her political power as a foreign intruder turned Marie-Antoinette into an alien other. Marie-Antoinette's mythification, argues Thomas, must be interpreted as the misogynist demonization of women's power and authority in revolutionary France. In a series of pamphlets written from the 1770s until her death in 1793, Marie-Antoinette is portrayed as a spendthrift, a libertine, an orgiastic lesbian, and a poisoner and infant murderess. In her analyses of these pamphlets, seven of which appear here in translation for the first time, Thomas reconstructs how the mounting hallucinatory and libelous discourse culminated in the inevitable destruction of what had become the counterrevolutionary symbol par excellence. *The Wicked Queen* exposes the elaborate process by which the myth of Marie-Antoinette emerged as a crucial element in the successful staging of the French Revolution.

Queen of Fashion Nov 12 2020 In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In Queen of Fashion, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

Casanova Dec 26 2021 This is a sexy and romantic short story filled with love scenes, action, and mystery.

Young and Damned and Fair Jan 15 2021 England July 1540: it is one of the hottest summers on record and the court of Henry VIII is embroiled, once again, in political scandal. Anne Cleves is out. Thomas Cromwell is to be executed and, in the countryside, an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly unpredictable monarch... In the five centuries since her death, Catherine Howard has been dismissed as 'a wanton', 'inconsequential' or a naive victim of her ambitious family, but the story of her rise and fall offers not only a terrifying and compelling story of an attractive, vivacious young woman thrown onto the shores of history thanks to a king's infatuation, but an intense portrait of Tudor monarchy in microcosm: how royal favour was won, granted, exercised, displayed, celebrated and, at last, betrayed and lost. The story of Catherine Howard is both a very dark fairy tale and a gripping political scandal.

Teaching Representations of the French Revolution Aug 10 2020 In many ways the French Revolution--a series of revolutions, in fact, whose end has arguably not yet arrived--is modernity in action. Beginning in reform, it blossomed into wholesale attempts to remake society, uprooting the clergy and aristocracy, valorizing mass movements, and setting secular ideologies, including nationalism, in motion. Unusually manifold and complicated, the revolution affords many teaching opportunities and challenges. This volume helps

instructors seeking to connect developments today--terrorism, propaganda, extremism--with the events that began in 1789, contextualizing for students a world that seems always unmoored and in crisis. The volume supports the teaching of the revolution's ongoing project across geographic areas (from Haiti, Latin America, and New Orleans to Spain, Germany, and Greece), governing ideologies (human rights, secularism, liberty), and literatures (from well-known to newly rediscovered texts). Interdisciplinary, intercultural, and insurgent, the volume has an energy that reflects its subject.

Memoirs of Prince Metternich Jun 07 2020

Marie Antoinette at Petit Trianon Sep 30 2019 Marie Antoinette at Petit Trianon challenges common perceptions of the last Queen of France, appraising the role she played in relation to the events of French Revolution through an original analysis of contemporary heritage practices and visitor perceptions at her former home, the Petit Trianon. Controversy and martyrdom have placed Marie Antoinette's image within a spectrum of cultural caricatures that range from taboo to iconic. With a foundation in critical heritage studies, this book examines the diverse range of contemporary images portraying Marie Antoinette's historical character, showing how they affect the interpretation and perception of the Petit Trianon. By considering both producers and receivers of these cultural heritage exponents - Marie Antoinette's historical figure and the historic house museum of the Petit Trianon - the book expands current understandings of twenty-first century cultural heritage perceptions in relation to tourism and popular culture. A useful case study for academics, researchers and postgraduate students of cultural heritage, it will also be of interest to historians, keepers of house museums and those working in the field of tourism studies.

The Exchange of Princesses Sep 03 2022 Set in the French and Spanish courts of the eighteenth century, this novel is based on a true story about the fate of two young princesses caught in the intrigues and secrets of the moment Philippe d'Orléans, the regent of France, has a gangrenous heart—the result of a life of debauchery, alcohol, power, and flattery. One morning in 1721, he decides to marry eleven-year-old Louis XV to the daughter of Philippe V of Spain, who is only four. Orléans hopes this will tie his kingdom to Spain. But were Louis to die without begetting an heir—the likeliness of which is greatly increased by having a child bride—Orléans himself would finally be king. Orléans tosses his own daughter into the bargain, the twelve-year-old Mlle de Montpensier, who will marry the Prince of Asturias, the heir to the Spanish throne. The Spanish court enthusiastically agrees and arrangements are made. The two nations trade their princesses in a grand ceremony in 1722, making bonds that should end the historical conflict. Nothing turns out as expected.

The Leopard Boy Feb 13 2021 October 15, 1793: the eve of Marie-Antoinette's execution. The Reign of Terror has descended upon revolutionary France, and thousands are beheaded daily under the guillotine. Edmond Coffin and Jonathan Gravedigger, two former soldiers now employed in disposing of the dead, are hired to search the Parisian neighborhood of Haarlem for a mysterious mixed-race "leopard boy," whose nickname derives from his mottled black-and-white skin. Some would like to see the elusive leopard boy dead, while others wish to save him. Why so much interest in this child? He is rumored to be the son of Marie-Antoinette and a man of color--the Chevalier de Saint-George, perhaps, or

possibly Zamor, the slave of Madame du Barry, mistress of Louis XV. This wildly imaginative and culturally resonant tale by Daniel Picouly audaciously places black and mixed-race characters--including King Mac, creator of the first hamburger, who hands out figures of Voltaire and Rousseau with his happy meals, and the megalomaniac Black Delorme, creator of a slavery theme park--at the forefront of its Revolution-era story. Winner of the Prix Renaudot, one of France's most prestigious literary awards, this book envisions a "Black France" two hundred years before the term came to describe a nation transformed through its postcolonial immigrant population. CARAF Books: Caribbean and African Literature Translated from French

Books of Magic Book One Oct 24 2021 Continuing from celebrated author Neil Gaiman's iconic graphic novel, the complete chronicles of Tim Hunter are finally brought together in a definitive new trade paperback. Once, Timothy Hunter was just an ordinary 13-year-old boy living in suburban London. Then four legendary sorcerers took him on a journey beyond time and space, and his life changed forever. Traveling through realms long consigned to myth and legend, he also discovered an unsettling truth about his future: like it or not, fate has decreed that young Tim is destined to become the world's greatest magician! Unfortunately for him, this innocence smells intoxicatingly like weakness to the hungry predators that haunt the shadows of existence, and the extraordinary power they sense within his frail human form is too enticing to resist. Written by John Ney Rieber and illustrated by Peter Gross, Gary Amaro and Peter Snejbjerg, THE BOOKS OF MAGIC BOOK ONE collects issues #1-13 of the classic VERTIGO series as well as the pivotal introductory tale from ARCANA ANNUAL #1.

The Wandering Jew Sep 10 2020

Memories of Low Tide Jul 01 2022 A memoir of childhood, the mother-daughter bond and the transformative power of swimming, by multi-award-winning French author Chantal Thomas Chantal Thomas grew up in a seaside town on the Atlantic coast of France, inheriting from her mother an obsession with the sea, and for swimming. In this tender and eloquent memoir she seeks to understand her quixotic, often inscrutable mother - a woman who was luminous in the water and once dived into the moat of the Palace of Versailles, but became fettered by marriage and domestic life. Thomas combs the beaches of her childhood for memories, recalling the sensory pleasures of the sands, the first sharp touch of cold water, and discovering the multitude of ways in which she is still her mother's daughter.

The Violence of Modernity Aug 22 2021 Publisher description

Days of Splendor, Days of Sorrow Apr 05 2020 A captivating novel of rich spectacle and royal scandal, Days of Splendor, Days of Sorrow spans fifteen years in the fateful reign of Marie Antoinette, France's most legendary and notorious queen. Paris, 1774. At the tender age of eighteen, Marie Antoinette

ascends to the French throne alongside her husband, Louis XVI. But behind the extravagance of the young queen's elaborate silk gowns and dizzyingly high coiffures, she harbors deeper fears for her future and that of the Bourbon dynasty. From the early growing pains of marriage to the joy of conceiving a child, from her passion for Swedish military attaché Axel von Fersen to the devastating Affair of the Diamond Necklace, Marie Antoinette tries to rise above the gossip and rivalries that encircle her. But as revolution blossoms in America, a much larger threat looms beyond the gilded gates of Versailles—one that could sweep away the French monarchy forever.

Rethinking Schumann Apr 29 2022 This collection of essays aims to broaden and update scholarly approaches to Schumann, by considering his works and their reception in the context of various cultural and socio-institutional frameworks, from mid-nineteenth-century politics, through Nazi Germany, to late-twentieth-century popular culture.

Beauvoir in Time Mar 05 2020 "Beauvoir in Time situates Simone de Beauvoir's The Second Sex in the historical context of its writing and in later contexts of its international reception, from then till now. The book takes up three aspects of Beauvoir's work more recent feminists find embarrassing: "bad sex," "dated" views about lesbians, and intersections with race and class. Through close reading of her writing in many genres, alongside contemporaneous discourses (good and bad novels in French and English, outmoded psychoanalytic and sexological authorities, ethnographic surrealism, the writing of Richard Wright and Franz Fanon), and in light of her travels to the U.S. and China, the author uncovers insights more recent feminist methodologies obscure, showing Beauvoir is still good to think with today"--

Film Analysis Handbook Jun 19 2021 The most comprehensive reference to film analysis available for middle school through to high school. Featuring coloured photographs illustrating key terms and filmic techniques this is a one-stop reference for any genre of film studied in English, Media or Film Studies courses.
