[The Terrorist](#) Feb 25 2022 A terrorist attack in London sends a teenage girl on a dangerous hunt for revenge in this gripping suspense novel from the author of *The Voice on the Radio*. Laura and Billy Williams are two ordinary American expat kids living with their parents in England. Then, in an instant, everything changes when Billy is handed a mysterious package in a London Underground station . . . Billy's tragic death leaves a hole in Laura's heart, one that soon becomes filled with anger and a burning obsession to find the terrorist responsible for taking her brother's life. Her search for the truth takes her into dangerous territory, forcing Laura to question everyone she knows and everything she believes. The bestselling author of *The*

Face on the Milk Carton ratchets up the tension in this thriller about a girl who will stop at nothing to separate the truth from the lies. This ebook features an illustrated biography of Caroline B. Cooney including rare images and never-before-seen documents from the author's personal collection.

The Radical Writings of Jack Nusan Porter Jul 09 2020 Jack Nusan Porter's writings date back to 1966, during the height of the Vietnam War. He describes the anguished struggle against war, racism, and poverty, as well as the radical groups and individuals involved—Jewish socialists, radical Zionists, radical Jews, Rabbi Meir Kahane and the Jewish Defense League, the counterculture, liberals, and conservatives alike. In addition, his writings vividly recount the anti-Zionist, anti-Israel, anti-Semitic, and revolutionary terrorism of the times. Here, Porter draws from the past in an effort to explain the present, walking the precarious bridge between allegiance to Israel and the Jewish people and the universal rights of all people. This collection of older and newer essays combines theory, sociology, film studies, literary criticism, post-modern thought, and politics.

The Blood of Lambs Dec 02 2019 A former member of the Islamic jihad recounts his early life in a terror training camp, his travels through the Middle East pursuing Umma, his conversion to Christianity, and his thoughts on the dangers of radical Islam.

After the First Death Jul 01 2022 Sixteen-year-old Miro had instructions to kill the bus driver immediately. They would then take the busload of children to the bridge and begin the standoff. Artkin was Miro's mentor; the mastermind behind this act of terrorism that would get the world's attention. But Artkin had told Miro that the bus driver would be an old man. Sixteen-year old Kate sometimes substituted for her uncle and drove his bus when he was ill. She even got a special license to do so, and she'd always liked kids. She wondered what was going on when the van in front of her stopped, but when the man and the boy with guns forced their way onto the bus, she knew her worst nightmare was beginning.

Your Sons Are at Your Service Apr 17 2021 Tunisia became one of the largest sources of foreign fighters for the Islamic State—even though the country stands out as a democratic bright spot of the Arab uprisings and despite the fact that it had very little history of terrorist violence within its borders prior to 2011. In *Your Sons Are at Your Service*, Aaron Y. Zelin uncovers the longer history of Tunisian involvement in the jihadi movement and offers an in-depth examination of the reasons why so many Tunisians became drawn to jihadism following the 2011 revolution. Zelin highlights the longer-term causes that affected jihadi recruitment in Tunisia, including the prior history of Tunisians joining jihadi organizations and playing key roles in far-flung parts of the world over the past four decades. He contends that the jihadi group Ansar al-Sharia in Tunisia was able

to take advantage of the universal prisoner amnesty, increased openness, and the lack of governmental policy toward it after the revolution. In turn, this provided space for greater recruitment and subsequent mobilization to fight abroad once the Tunisian government cracked down on the group in 2013. Zelin marshals cutting-edge empirical findings, extensive primary source research, and on-the-ground fieldwork, including a variety of documents in Arabic going as far back as the 1980s and interviews with Ansar al-Sharia members and Tunisian fighters returning from Syria. The first book on the history of the Tunisian jihadi movement, *Your Sons Are at Your Service* is a meticulously researched account that challenges simplified views of jihadism's appeal and success.

Terror by Night Oct 12 2020 At 3:00 a.m. on March 1, 2008, Terry Caffey awoke to find his daughter's boyfriend standing in his bedroom with a gun. An instant later the teen opened fire, killing Terry's wife, his two sons, and wounding him 12 times, before setting the house ablaze. Terry fell into deep depression and planned to kill himself, but God intervened. Upon visiting his burned-out property, Terry noticed a scorched scrap of paper from one of his wife's books leaning against a tree trunk. The page read: "[God,] I couldn't understand why You would take my family and leave me behind to struggle along without them. And I guess I still don't totally understand that part of it. But I do believe that You're sovereign; You're in control." That page was like a direct message from God, and it turned Terry's life around. Now, one year later, Terry is remarried, the adoptive father of two young sons, and working to rebuild his relationship with his 17-year-old daughter, who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes. *Terror by Night* tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime. Sharing never-before-told details about the night of the crime and subsequent murder trial, it explains how Terry was able to forgive the men who murdered his family, and how he even interceded with the prosecutors on their behalf. A powerful example of how the power of forgiveness can bring healing after tragedy and great loss, it shows how God can bring good out of even the darkest tragedies.

Rainbow Six Jul 21 2021 In this #1 New York Times bestselling John Clark thriller, author Tom Clancy takes readers into the shadowy world of anti-terrorism and gets closer to reality than any government would care to admit... Ex-Navy SEAL John Clark has been named the head of Rainbow, an international task force dedicated to combating terrorism. In a trial by fire, Clark is confronted with a violent chain of seemingly separate international incidents. But there is no way to predict the real threat: a group of terrorists like none the world has ever encountered, a band of men and women so extreme that their

success could literally mean the end of life on earth as we know it.

Incendiary Jan 15 2021 A tragicomic open letter to Osama Bin Laden from a young London woman whose husband and son are killed in a terrorist attack on a soccer stadium.

Anatomy of Terror: From the Death of bin Laden to the Rise of the Islamic State Jun 07 2020 "Anyone who wants to understand the world we live in now should read this book." —Lawrence Wright To eliminate the scourge of terrorism, we must first know who the enemy actually is, and what his motivations are. In *Anatomy of Terror*, former FBI special agent and *New York Times* best-selling author Ali Soufan dissects Osama bin Laden's brand of jihadi terrorism and its major offshoots, revealing how these organizations were formed, how they operate, their strengths, and—crucially—their weaknesses. This riveting account examines the new Islamic radicalism through the stories of its flag-bearers, including a U.S. Air Force colonel who once served Saddam Hussein, a provincial bookworm who declared himself caliph of all Muslims, and bin Laden's own beloved son Hamza, a prime candidate to lead the organization his late father founded. *Anatomy of Terror* lays bare the psychology and inner workings of al-Qaeda, the Islamic State, and their spawn, and shows how the spread of terror can be stopped. Winner of the Airey Neave Memorial Book Prize

Terror at the Zoo Mar 17 2021 Ellen Streater received the perfect birthday present—an overnight camp-out at the zoo. Too bad she had to invite her little brother Corey along. But as night falls in the zoo, her brother becomes the least of her worries, as they discover they're locked in the zoo with an escaped convict who's stalking their every move. Unable to run, and with no help in sight, their last chance for survival is Ellen's crazy science project on animal communication. But can they get the animals to help them in time, or will it be too late? "A compelling and fast-paced mystery with characters that are believable and well drawn." —*The Horn Book* "Plausible incidents and believable characters combine in a fast-moving and well-constructed tale." —*Booklist*

Terrorist May 31 2022 Ahmad, threatened by the hedonistic society around him, gets involved in a plot, with reverberations that rouse the Department of Homeland Security.

Secret Son Sep 10 2020 When a young man is given the chance to rewrite his future, he doesn't realize the price he will pay for giving up his past... Casablanca's stinking alleys are the only home that nineteen-year-old Youssef El-Mekki has ever known. Raised by his mother in a one-room home, he dreams of escape — until, one day, the father he thought dead turns out to be very much alive, and whisks him from the slums into the luxurious life of Casablanca's elite. But as he leaves the poverty of his childhood behind him, he comes up against a starkly un-glittering reality...

The President's Daughter Nov 12 2020 A rocket ride of a thriller—the

#1 New York Times bestselling blockbuster by President Bill Clinton and James Patterson, "the dream team" (Lee Child). All Presidents have nightmares. This one is about to come true. Every detail is accurate—because one of the authors is President Bill Clinton. The drama and action never stop—because the other author is James Patterson. Matthew Keating, a one-time Navy SEAL—and a past president—has always defended his family as staunchly as he has his country. Now those defenses are under attack. A madman abducts Keating's teenage daughter, Melanie—turning every parent's deepest fear into a matter of national security. As the world watches in real time, Keating embarks on a one-man special-ops mission that tests his strengths: as a leader, a warrior, and a father. The authors' first collaboration, *The President Is Missing*, a #1 New York Times bestseller and the #1 bestselling novel of 2018, was praised as "ambitious and wildly readable" (New York Times Book Review) and "a fabulously entertaining thriller" (Pulitzer Prize-winning author Ron Chernow).

Hamnet Jul 29 2019 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • "Of all the stories that argue and speculate about Shakespeare's life ... here is a novel ... so gorgeously written that it transports you." —The Boston Globe *England, 1580: The Black Death* creeps across the land, an ever-present threat, infecting the healthy, the sick, the old and the young alike. The end of days is near, but life always goes on. A young Latin tutor—penniless and bullied by a violent father—falls in love with an extraordinary, eccentric young woman. Agnes is a wild creature who walks her family's land with a falcon on her glove and is known throughout the countryside for her unusual gifts as a healer, understanding plants and potions better than she does people. Once she settles with her husband on Henley Street in Stratford-upon-Avon, she becomes a fiercely protective mother and a steadfast, centrifugal force in the life of her young husband, whose career on the London stage is just taking off when his beloved young son succumbs to sudden fever. Don't miss Maggie O'Farrell's new novel, *The Marriage Portrait*, coming in September!

The Future of Architecture in 100 Buildings Aug 29 2019 The founder of Architizer.com and practicing architect draws on his unique position at the crossroads of architecture and social media to highlight 100 important buildings that embody the future of architecture. We're asking more of architecture than ever before; the response will define our future. A pavilion made from paper. A building that eats smog. An inflatable concert hall. A research lab that can walk through snow. We're entering a new age in architecture—one where we expect our buildings to deliver far more than just shelter. We want buildings that inspire us while helping the environment; buildings that delight our senses while serving the needs

of a community; buildings made possible both by new technology and repurposed materials. Like an architectural cabinet of wonders, this book collects the most innovative buildings of today and tomorrow. The buildings hail from all seven continents (to say nothing of other planets), offering a truly global perspective on what lies ahead. Each page captures the soaring confidence, the thoughtful intelligence, the space-age wonder, and at times the sheer whimsy of the world's most inspired buildings—and the questions they provoke: Can a building breathe? Can a skyscraper be built in a day? Can we 3D-print a house? Can we live on the moon? Filled with gorgeous imagery and witty insight, this book is an essential and delightful guide to the future being built around us—a future that matters more, and to more of us, than ever.

Little Bee Oct 31 2019 Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

We Still Have Words Oct 24 2021 'A powerful, inspiring book' Observer Georges Salines lost his daughter Lola in the attack on the Bataclan Theatre in Paris on 13th November 2015. Azdyne Amimour lost his son. Both were aged 28. Lola was one of the 90 victims, Amimour's son one of the attackers. From his meeting with Azdyne Amimour, an unprecedented dialogue emerged. Georges Salines carries the memory of his daughter and many other victims, while Azdyne Amimour seeks to understand how his son was able to commit acts which he condemns without appeal. Driven by mutual curiosity, the two tell their stories and unfold the story of 'their' 13th November. In the course of this conversation, a deep respect was born between these two fathers whom everything should nevertheless have opposed. Their testimony feeds a peaceful reflection on radicalization, education and mourning. Because if there are words left, there is also hope.

Crimes of Terror May 07 2020 The U.S. government's power to categorize individuals as terrorist suspects and therefore ineligible for certain long-standing constitutional protections has expanded exponentially since 9/11, all the while remaining resistant to oversight. Crimes of Terror: The Legal and Political Implications of Federal Terrorism Prosecutions provides a comprehensive and uniquely up-to-date dissection of the government's advantages over suspects in criminal prosecutions of terrorism, which are driven by a preventive mindset that purports to stop plots before they can come to fruition. It establishes the background for these controversial policies and practices and then demonstrates how they have impeded the normal goals of criminal prosecution, even in light of a competing military tribunal model. Proceeding in a linear manner from the investigatory stage of a prosecution on through to sentencing, the book documents the emergence of a "terrorist exceptionalism" to normal rules of

criminal law and procedure and questions whether the government has overstated the threat posed by the individuals it charges with these crimes. Included is a discussion of the large-scale spying and use of informants rooted in the questionable "radicalization" theory; the material support statute--the government's chief legal tool in bringing criminal prosecutions; the new rules regarding generation of evidence and the broad construction of that evidence as relevant at trial; and a look at the special sentencing and confinement regimes for those convicted of terrorist crimes. In this critical examination of terrorism prosecutions in federal court, Professor Said reveals a phenomenon at odds with basic constitutional protections for criminal defendants.

Small Arms Apr 29 2022 Why do terrorist organizations use children to support their cause and carry out their activities? Small Arms uncovers the brutal truth behind the mobilization of children by terrorist groups. Mia Bloom and John Horgan show us the grim underbelly of society that allows and even encourages the use of children to conduct terrorist activities. They provide readers with the who, what, when, why, and how of this increasingly concerning situation, illuminating a phenomenon that to most of us seems abhorrent. And yet, they argue, for terrorist groups the use of children carries many benefits. Children possess skills that adults lack. They often bring innovation and creativity. Children are, in fact, a superb demographic from which to recruit if you are a terrorist. Small Arms answers questions about recruitment strategies and tactics, determines what makes a child terrorist and what makes him or her different from an adult one, and charts the ways in which organizations use them. The unconventional focus on child and youth militants allows the authors to, in essence, give us a biography of the child terrorist and the organizations that use them. We are taken inside the mind of the adult and the child to witness that which perhaps most scares us.

Son of Hamas Aug 02 2022 Son of Hamas is now available with an all-new chapter about events since the book's release such as the revelation of Mosab's Israeli intelligence handler's true identity, and Homeland Security's effort to deport the author. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In Son of Hamas, Mosab reveals new information about the world's most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland,

the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to “love your enemies” is the only way to peace in the Middle East.

State of Terror Feb 02 2020 AN INSTANT #1 NEW YORK TIMES BESTSELLER
Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone’s surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it’s a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

Fierce Kingdom Mar 05 2020 One of the New York Times Book Review's Best Crime Novels of 2017 “Warning: you'll finish this in one sitting.” —TheSkimm “Expertly made thriller . . . clever and irresistible.” —The New York Times An electrifying novel about the primal and unyielding bond between a mother and her son, and the lengths she’ll go to protect him. The zoo is nearly empty as Joan and her four-year-old son soak up the last few moments of playtime. They

are happy, and the day has been close to perfect. But what Joan sees as she hustles her son toward the exit gate minutes before closing time sends her sprinting back into the zoo, her child in her arms. And for the next three hours—the entire scope of the novel—she keeps on running. Joan's intimate knowledge of her son and of the zoo itself—the hidden pathways and under-renovation exhibits, the best spots on the carousel and overstocked snack machines—is all that keeps them a step ahead of danger. A masterful thrill ride and an exploration of motherhood itself—from its tender moments of grace to its savage power—*Fierce Kingdom* asks where the boundary is between our animal instinct to survive and our human duty to protect one another. For whom should a mother risk her life?

The Blessing of a Broken Heart Jun 27 2019 Sherri Mandell, an American immigrant to Israel, offers this hauntingly beautiful memoir of a year of grief following the horrific murder of her 13-year-old son, Koby, found stoned to death along with a friend by Palestinian terrorists near his Tekoa home in 2001. This profoundly moving prose-poem laces together Jewish tradition, memory, love and faith as the writer-mother recounts her transformation from shock to grief and compassion. Singular in its honesty and depth of emotion, it will leave you forever changed. Winner of the National Jewish Book Award.

The Terrorist's Son: A Story of Choice Sep 03 2022 Part of the TED series: *The Terrorist's Son* What is it like to grow up with a terrorist in your home? Zak Ebrahim was only seven years old when, on November 5th, 1990, his father El-Sayed Nosair shot and killed the leader of the Jewish Defense League. While in prison, Nosair helped plan the bombing of the World Trade Center in 1993. In one of his infamous video messages, Osama bin Laden urged the world to "Remember El-Sayed Nosair." In both *The Terrorist's Son* and his inspiring TED TALK, Ebrahim dispels the myth that terrorism is a foregone conclusion for people trained to hate. Based on his own remarkable journey, he shows that hate is always a choice—and so is tolerance. Though Ebrahim was subjected to a violent, intolerant ideology throughout his childhood, he did not become radicalised. Terrorist groups tap into certain vulnerabilities that are usually circumstantial: poverty, oppression, disenfranchisement, lack of resources and options. Ebrahim shows how those same vulnerabilities can create great strengths, leading people to form great reserves of empathy and tolerance. He believes that, because we all have a deep capacity for empathy, humans have the choice—and can find the will—to reject negative ideology.

The Terrorist's Son Oct 04 2022 The author discusses his life as the son of a terrorist and how he came to reject his father's ideology and embrace the path of nonviolence.

Heroes for My Son Sep 30 2019 Since the birth of his son in 2003, bestselling novelist Brad Meltzer (*The Book of Fate*, *The Tenth*

Justice, The Book of Lies) has been collecting heroes from whom his son can learn how to live a good life. In *Heroes for My Son*, Meltzer shares, with parents everywhere, the stories of 52 such heroes—from Dr. Seuss and Mr. Rogers to Mother Theresa and Mohandas Gandhi.

The Terrorist's Son Nov 05 2022 An extraordinary story, never before told: The intimate, behind-the-scenes life of an American boy raised by his terrorist father—the man who planned the 1993 World Trade Center bombing. What is it like to grow up with a terrorist in your home? Zak Ebrahim was only seven years old when, on November 5th, 1990, his father El-Sayyid Nosair shot and killed the leader of the Jewish Defense League. While in prison, Nosair helped plan the bombing of the World Trade Center in 1993. In one of his infamous video messages, Osama bin Laden urged the world to “Remember El-Sayyid Nosair.” For Zak Ebrahim, a childhood amongst terrorism was all he knew. After his father’s incarceration, his family moved often, and as the perpetual new kid in class, he faced constant teasing and exclusion. Yet, though his radicalized father and uncles modeled fanatical beliefs, to Ebrahim something never felt right. To the shy, awkward boy, something about the hateful feelings just felt unnatural. In this book, Ebrahim dispels the myth that terrorism is a foregone conclusion for people trained to hate. Based on his own remarkable journey, he shows that hate is always a choice—but so is tolerance. Though Ebrahim was subjected to a violent, intolerant ideology throughout his childhood, he did not become radicalized. Ebrahim argues that people conditioned to be terrorists are actually well positioned to combat terrorism, because of their ability to bring seemingly incompatible ideologies together in conversation and advocate in the fight for peace. Ebrahim argues that everyone, regardless of their upbringing or circumstances, can learn to tap into their inherent empathy and embrace tolerance over hatred. His original, urgent message is fresh, groundbreaking, and essential to the current discussion about terrorism.

Cold Pursuit Jan 27 2022 A single-mother desperate to protect her child is rescued by an off-duty FBI profiler as ruthless terrorists hunt them, in this Romantic Thriller by New York Times bestselling author Toni Anderson. “Sizzling suspense and hot romance – the perfect summer read!” Single mom Vivi Vincent is thrust into her worst nightmare when she and her eight-year-old son are trapped inside a mall during a terror attack. Jed Brennan, a dedicated FBI agent on enforced leave, helps Vivi and her son survive the assault. But the danger is just beginning... Vivi’s son may have witnessed critical details of the terrorists’ future plans and is targeted for death, but he’s mute, and he’s traumatized. When someone launches a strike against the FBI’s safe house, Jed fears the bad guys have an inside man. Not knowing who to trust, he hides mother and son in a log cabin deep in the heart of the Wisconsin Northwoods. There Jed and Vivi try

to figure out how to unlock the information inside her son's head. What they don't bargain for is the red-hot attraction that flares between them or the extent of the sinister plot that threatens to rip apart any chance of happiness they might have together. All the books can be read as standalone titles. Hot romantic stories with thrilling plots and guaranteed happily ever afters—they do contain strong language and steamy times. For fans of Melinda Leigh, Janie Crouch, Kendra Elliot, and Anna Hackett. Winner of National Excellence in Romance Fiction Award ~ for Romantic Suspense. Finalist in the National Readers' Choice Award, & the Gayle Wilson Award of Excellence.

The Rise and Fall of Osama bin Laden Aug 22 2011 The world's leading expert on Osama bin Laden delivers for the first time the "riveting" (The New York Times) definitive biography of a man who set the course of American foreign policy for the 21st century and whose ideological heirs we continue to battle today. In *The Rise and Fall of Osama bin Laden*, Peter Bergen provides the first reevaluation of the man responsible for precipitating America's long war with al-Qaeda and its decedents, capturing bin Laden in all the dimensions of his life: as a family man, as a zealot, as a battlefield commander, as a terrorist leader, and as a fugitive. The book sheds light on his many contradictions: he was the son of a billionaire yet insisted his family live like paupers. He adored his wives and children, depending on his two wives, both of whom had PhDs, to make critical strategic decisions. Yet, he also brought ruin to his family. He was fanatically religious but willing to kill thousands of civilians in the name of Islam. He inspired deep loyalty, yet, in the end, his bodyguards turned against him. And while he inflicted the most lethal act of mass murder in United States history, he failed to achieve any of his strategic goals. In his final years, the lasting image we have of bin Laden is of an aging man with a graying beard watching old footage of himself, just as another dad flipping through the channels with his remote. In the end, bin Laden died in a squalid suburban compound, far from the front lines of his holy war. And yet, despite that unheroic denouement, his ideology lives on. Thanks to exclusive interviews with family members and associates, and documents unearthed only recently, Bergen's "comprehensive, authoritative, and compelling" (H.R. McMaster, author of *Dereliction of Duty* and *Battlegrounds: The Fight to Defend the Free World*) portrait of Osama bin Laden reveals for the first time who he really was and why he continues to inspire a new generation of jihadists.

Growing Up bin Laden Mar 29 2011 The New York Times calls *GROWING UP BIN LADEN*: "The most complete account available of the terrorist's immediate family." (May 15, 2011) A true story that few ever believed would come to light, *GROWING UP BIN LADEN* uncovers startling revelations and hidden secrets carefully guarded by the most wanted

terrorist of our lifetime, Osama bin Laden. "I was not always the wife of Osama bin Laden. Once I was an innocent child dreaming little girl dreams..." Thus begins this powerful story as Najwa bin Laden, who married her cousin Osama bin Laden at the age of 15 to become his first wife and the mother to eleven of his children, and her son, Omar bin Laden, the fourth-born son of Osama bin Laden. Together, mother and son tell an extraordinarily powerful story of a man hated by so many, yet both loved and feared by his family, with spine-tingling details about the life and times of the man they knew as a husband and father, including: - Osama's disapproval of modern conveniences, including electricity and medicine- His plan to toughen up his sons by taking them into the desert without food or water- Transporting his wives and children to the rough terrain of Sudan, where he claimed to be preparing them for attacks from western powers, commanding them to dig holes, and to sleep in those holes, allowing nothing more than sand and twigs for cover- Omar's horror at the rape and murder of a boy his own age, by members of a jihadist group living among them in the Sudan. - What happened in the bin Laden home in Jeddah, Saudi Arabia, on the morning of September 11, 2001, and Omar's surprise phone call with his mother, who escaped from Afghanistan only two days before the shattering events that killed so many innocent people Since September 11, 2001, journalists have struggled to uncover carefully guarded information about Osama's private life. Until now, Osama Bin Laden's family members have not cooperated with any writers or journalists. Now, with unprecedented access and insight, Jean Sasson, author of the bestselling *Princess: A True Story Behind the Veil in Saudi Arabia*, takes us inside the secret world of Osama bin Laden.

Bombshell Jun 19 2021 Between 1985 and 2008, female suicide bombers committed more than 230 attacks—about a quarter of all such acts. Women have become the ideal stealth weapon for terrorist groups. They are less likely to be suspected or searched and as a result have been used to strike at the heart of coalition troops in Iraq and Afghanistan. This alarming tactic has been highly effective, garnering extra media attention and helping to recruit more numbers to the terrorists' cause. Yet, as Mia Bloom explains in *Bombshell: Women and Terrorism*, female involvement in terrorism is not confined to suicide bombing and not limited to the Middle East. From Northern Ireland to Sri Lanka, women have been engaged in all manner of terrorist activities, from generating propaganda to blowing up targets. What drives women to participate in terrorist activities? Bloom—a scholar of both international studies and women's studies—blends scrupulous research with psychological insight to unearth affecting stories from women who were formerly terrorists. She moves beyond gender stereotypes to examine the conditions that really influence female violence, arguing that while women terrorists can be just as bloodthirsty as their male counterparts, their motivations tend to be

more intricate and multilayered. Through compelling case studies she demonstrates that though some of these women volunteer as martyrs, many more have been coerced by physical threats or other means of social control. As evidenced by the March 2011 release of Al Qaeda's magazine Al Shamikha, dubbed the jihadi Cosmo, it is clear that women are the future of even the most conservative terrorist organizations. Bombshell is a groundbreaking book that reveals the inner workings of a shocking, unfamiliar world.

Objective Troy Jan 03 2020 Objective Troy tells the gripping and unsettling story of Anwar al-Awlaki, the once-celebrated American imam who called for moderation after 9/11, a man who ultimately directed his outsized talents to the mass murder of his fellow citizens. It follows Barack Obama's campaign against the excesses of the Bush counterterrorism programs and his eventual embrace of the targeted killing of suspected militants. And it recounts how the president directed the mammoth machinery of spy agencies to hunt Awlaki down in a frantic, multi-million-dollar pursuit that would end with the death of Awlaki by a bizarre, robotic technology that is changing warfare—the drone. Scott Shane, who has covered terrorism for The New York Times over the last decade, weaves the clash between president and terrorist into both a riveting narrative and a deeply human account of the defining conflict of our era. Awlaki, who directed a plot that almost derailed Obama's presidency, and then taunted him from his desert hideouts, will go down in history as the first United States citizen deliberately hunted and assassinated by his own government without trial. But his eloquent calls to jihad, amplified by YouTube, continue to lure young Westerners into terrorism—resulting in tragedies from the Boston marathon bombing to the murder of cartoonists at a Paris weekly. Awlaki's life and death show how profoundly America has been changed by the threat of terrorism and by our own fears. Illuminating and provocative, and based on years of in depth reporting, Objective Troy is a brilliant reckoning with the moral challenge of terrorism and a masterful chronicle of our times.

Clotaire Chantal IV Apr 05 2020 This story has to do with the final Will of a man named Mornington, who, in the year 1900, left behind the sum of \$400 million francs. Of that, three fourths went to his adopted country which left \$100 million francs to be distributed to his heirs. The executor of the estate was Mornington's friend, Don Luis Perenna (AKA Clotaire Chantal). The problem, however, was that no one knew where (or even who) some of the heirs were. If no heirs were to be found within 3 months, the entire \$100 million francs would go to Perenna. And Perenna/Chantal had a reputation as being something of a rogue. It is definitely a race against time, as the heirs seem to be turning up dead at an alarming rate.

Debt of Honor Dec 14 2020 Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! THE #1 NEW YORK TIMES BESTSELLING

JACK RYAN NOVEL "A harrowing tale...Clancy keeps you riveted with political intrigue and military maneuvering [and] sends you rushing headlong to the book's stunning conclusion."—USA Today Bestselling author Tom Clancy takes a bold, incisive look at what our nation's leaders are calling "the new world order." The time and place: a world at peace, where yesterday's enemies are tomorrow's allies. The players: Jack Ryan as the new U.S. President's National Security Advisor, and his CIA colleagues, John Clark and Domingo Chavez. The crisis: a shocking chain of events in which the wages of peace are as fully complex—and devastating—as those of war. "[Debt of Honor] traces the financial, political, military, and personal machinations that drive America into the next major global war...A SHOCKER."—Entertainment Weekly

You Will Not Have My Hate Nov 24 2021 INTERNATIONAL BESTSELLER - "On Friday night you stole the life of an exceptional person, the love of my life, the mother of my son, but you will not have my hate." On November 13, 2015, Antoine Leiris's wife, H el ene Moyal-Leiris, was killed by terrorists while attending a rock concert at the Bataclan Theater in Paris, in the deadliest attack on France since World War II. Three days later, Leiris wrote an open letter addressed directly to his wife's killers, which he posted on Facebook. He refused to be cowed or to let his seventeen-month-old son's life be defined by H el ene's murder. He refused to let the killers have their way: "For as long as he lives, this little boy will insult you with his happiness and freedom." Instantly, that short Facebook post caught fire, and was reported on by newspapers and television stations all over the world. In his determination to honor the memory of his wife, he became an international hero to everyone searching desperately for a way to deal with the horror of the Paris attacks and the grim shadow cast today by the threat of terrorism. Now Leiris tells the full story of his grief and struggle. You Will Not Have My Hate is a remarkable, heartbreaking, and, indeed, beautiful memoir of how he and his baby son, Melvil, endured in the days and weeks after H el ene's murder. With absolute emotional courage and openness, he somehow finds a way to answer that impossible question: how can I go on? He visits H el ene's body at the morgue, has to tell Melvil that Mommy will not be coming home, and buries the woman he had planned to spend the rest of his life with. Leiris's grief is terrible, but his love for his family is indomitable. This is the rare and unforgettable testimony of a survivor, and a universal message of hope and resilience. Leiris confronts an incomprehensible pain with a humbling generosity and grandeur of spirit. He is a guiding star for us all in these perilous times. His message—hate will be vanquished by love—is eternal.

Home Fire May 19 2021 "Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century." —The New York Times
WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019

INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family driven to pit love against loyalty, with devastating consequences, from the author of the forthcoming novel *Best of Friends* Isma is free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to—or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Midnight's Children Aug 10 2020 Winner of the Booker prize and twice winner of the Booker of Bookers, *Midnight's Children* is "one of the most important books to come out of the English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication—with a new introduction from the author—Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

Lions and Tigers and Terrorists, Oh My! Sep 22 2021 Recommended by leading terrorist experts, top educator and kids Dr. Carole's new book deals with the aftermath of horror that visited our nation on September 11, 2001...by helping teachers and families better educate children about the realities of terrorism in our world.

Gone Tomorrow Dec 26 2021 #1 NEW YORK TIMES BESTSELLER • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER "High-powered, intricately

wrought suspense.”—Janet Maslin, *The New York Times* New York City. Two in the morning. A subway car heading uptown. Jack Reacher, plus five other passengers. Four are okay. The fifth isn't. And if you think Reacher isn't going to get involved . . . then you don't know Jack. Susan Mark, the fifth passenger, had a big secret, and her plain little life was being watched in Washington, and California, and Afghanistan—by dozens of people with one thing in common: They're all lying to Reacher. A little. A lot. Or just enough to get him killed. A race has begun through the streets of Manhattan, a maze crowded with violent, skilled soldiers on all sides of a shadow war. For Jack Reacher, a man who trusts no one and likes it that way, the finish line comes when you finally get face-to-face and look your worst enemy in the eye. “Propulsive . . . [Child is] an expert at ratcheting up tension.”—*Los Angeles Times* “Hold on tight. . . . This novel will give you whiplash as you rabidly turn pages. . . . May be [Lee Child's] best.”—*USA Today*

I Am Pilgrim Feb 13 2021 "The astonishing story of one man's breakneck race against time . . . and an implacable enemy. An anonymous young woman murdered in a run-down hotel, all identifying characteristics dissolved by acid. A father publicly beheaded in the blistering heat of a Saudi Arabian public square. A notorious Syrian biotech expert found eyeless in a Damascus junkyard. Smoldering human remains on a remote mountainside in Afghanistan. A flawless plot to commit an appalling crime against humanity. One path links them all, and only one man can make the journey. *Pilgrim*"--
