The Marriage Contract Sep 03 2020 The New York Times bestselling author of Electric Idol delivers a smoking hot series about the O'Malley family--wealthy, powerful, dangerous and seething with scandal. Teague O'Malley hates pretty much everything associated with his family's name. And when his father orders him to marry Callista Sheridan to create a "business" alliance, Teague's ready to tell his dad exactly where he can stuff his millions. But then Teague actually meets his new fiancée, sees the bruises on her neck and the fight still left in her big blue eyes, and vows he will do everything in his power to protect her. Everyone knows the O'Malleys have a dangerous reputation. But Callie wasn't aware just what that meant until she saw Teague, the embodiment of lethal grace and coiled power. His slightest touch sizzles through her. But the closer they get, the more trouble they're in. Because Callie's keeping a dark secret-and what Teague doesn't know could get him killed.

The Baron's Dangerous Contract Mar 29 2020 An audacious lady and an adventurous lord. Miss Penny Darlington, daughter of the famed horseman Lord Mendbridge, has spent the past two seasons happily flirting with Lord Cabot. On the night of the Tudor ball, all of her ideas are crushed. The lord showed her, in no uncertain terms, how inconsequential she really was. She would prefer to nurse her bruised feelings in private, but her father has invited Lord Cabot to stay with them at Newmarket for the races. Penny vows she will never afford the lord another opportunity to sting her. Lord Cabot well knows he allowed his temper to get the better of him. Miss Darlington left the Tudor Ball in near tears, he was shunned by all who overheard him, and even the hostess glowered at him. He'd not meant what he said and has every expectation that Miss Darlington will laugh it off when she discovers him staying at her house in Newmarket. In any case, he has a far more urgent problem to solve-he's entered his filly in the thousand guinea stakes and does not actually have the stake. As Penny and Lord Cabot circle each other warily and various persons work to keep them apart, a shady moneylender enacts a villainous plot. The lord's world is about to shatter and only Penny can save him from ruin. On the other hand, she might just allow him to hang himself in a noose of his own making. *The Duke's Pact* Book 1 - *The Viscount's Sinful Bargain* Book 2 - *The Marquess' Daring Wager* Book 3 - *The Lord's Desperate Pledge* Book 4 - *The Baron's Dangerous Contract* Book 5 - *The Peer's Roguish Whisper* Book 6 - *The Earl's Iron Warrant*

. . . And His Lovely Wife Dec 06 2020 Writing with warmth and humor, Connie Schultz reveals the rigors, joys, and absolute madness of a new marriage at midlife and campaigning with her husband, Sherrod Brown, now the junior senator from Ohio. She describes the chain of events leading up to Sherrod's decision to run for the Senate (he would not enter the fray without his wife's unequivocal support), and her own decision to step down from writing her Pulitzer Prize-winning column during the course of one of the nation's most intensely watched races. She writes about the moment her friends in the press became not so friendly, the constant campaign demands on her marriage and family life, and a personal tragedy that came out of the blue. Schultz also shares insight into the challenges of political life: dealing with audacious bloggers, ruthless adversaries, and political divas; battling expectations of a political wife; and the shock of having staffers young enough to be her children suddenly directing her every move. Connie Schultz is passionate and outspoken about her opinions--in other words, every political consultant's nightmare, and every reader's

dream. “[Schultz is] a Pulitzer Prize—winning journalist with a mordant wit. . . . The [campaign memoir] genre takes on new life.” -The Washington Post Book World “With her characteristic wit and reportorial thoroughness, [Schultz] describes the behind-the-scenes chaos, frustration and excitement of a political campaign and the impact it has on a candidate’s family.” -Minneapolis Star Tribune “Witty and anecdotal, whether read by a Democrat or a Republican.” -Deseret Morning News “Frank and feisty . . . a spunky tribute to the survival of one woman’s spirit under conditions in which it might have been squelched.” -The Columbus Dispatch

ICE Conditions of Contract Target Cost. Version, First Edition Oct 16 2021 This publication provides guidance to the ICE Conditions of Contract Target Cost Version, First edition which encourages active collaboration to reduce costs by sharing expertise and jointly managing risks in an open working environment, within the framework of the ICE Conditions of Contract family. It encourages the Contractor to be more closely involved in aspects of design, provides for payment to the Contractor on a cost reimbursable basis and an incentive share arrangement if the costs differ from the target. A more open style of control and management, which permits an early and joint approach to the identification and management of risks, obliges parties to recognise and understand each other's objectives and promotes closer working relationships.

Contract Law Fundamentals Oct 28 2022 Designed for the new paralegal, Contract Law Fundamentals, 1e is a case book and was written to reflect the black-letter law of contracts. It takes a straight forward approach and helps readers develop an understanding of the essence of contract law. A variety of edited cases are included throughout the book, and reflect classic contract law and contemporary rulings in different industries and states.

Building Contract Claims Feb 26 2020 Many building projects are the subject of claims - the assertion of a right, usually by the contractor, to an extension of the contract period or an additional payment under the terms of the building contract. Many of these claims are unsound or ill-founded, often because the basic principles are misunderstood. This highly regarded book examines the legal basis of claims for extensions of time and additional payment, and what can and cannot be claimed under the main forms of contract. It includes chapters dealing with direct loss and expense, liquidated damages, extension of time, concurrency problems, acceleration, time at large, common law and contractual claims, global claims, and heads of claim and their substantiation. With the publication of the fifth edition, Building Contract Claims has been thoroughly revised to ensure it is fully up to date with the latest contracts, court judgments and building practice. Changes include: Coverage of over 60 additional relevant court cases Coverage of the 2005 JCT contracts suite Coverage of changes to the NEC contract Coverage of additional contracts such as Constructing Excellence; Measured Term Contract and the ACA PPC2000 contract together with the 2005 relevant JCT sub-contracts Important changes to liquidated damages and to extensions of time, and the giving of notices Appendix 1 has been substantially revised Like its predecessors, the fifth edition of Building Contract Claims will be essential reading for architects, contract administrators, project managers and quantity surveyors, as well as contractors, contracts consultants and construction lawyers.

Recommended Contract Practices for Underground Construction, Second Edition Aug 14 2021 A successful underground project is one where relationships are strong, the objectives as understood by each party are met or exceeded, and the work product serves its stakeholders and is maintainable in a way that fits with the project vision. High-level metrics for project success relate to safety, quality, schedule, and budget. The first edition of Recommended Contract Practices for Underground Construction has become a valued resource for the underground industry, serving as a concise guide for drafting and implementation of contract provisions. It provided improvements to underground contracting practices during all project stages. It also presented clear roles and responsibilities for project participants to promote better contracts. This second edition was undertaken by the UCA of SME because the industry has undergone numerous changes over the last decade. Changes in tunneling technology, more common use of design-build as a contracting mechanism, and many lessons learned have sparked some creative contract approaches. The recommendations contained in this edition are intended to guide owners and their engineers in developing and administering contracts and to give contractors a better understanding of the rationale behind contract provisions. The goal is that more underground projects in this country can be best projects, where improved relationships and fair contracts enable all project participants to personally invest in cost-effective, profitable projects, ensuring the continued health of the underground industry.

ICE Conditions of Contract Target Cost Version, First Edition Jul 25 2022 Helps towards delivering construction projects on time by enabling better client-contractor communication. This publication will help towards delivering construction projects on time by enabling better client-contractor communication. The new contract allows the employer, usually with the assistance of the contractor, to set a clear target for the cost of the civil engineering works to be carried out, in order to avoid projects overrunning on cost and deadline. ICE's latest contract also encourages the contractor to be more closely involved in the project at an early stage, such as project design, and provides an incentive for the employer and contractor to share profit or loss if the costs differ from the original estimation. To utilise the Target Cost Version effectively, a more open style of control and management is required which will permit an early and joint approach to the identification and management of risks. This is intended to lead to better channels of communication at an early stage between client and contractor. The Target Cost version - the latest member of the ICE Conditions of Contract family - has been produced due to industry demand.
